Ethical Frameworks in Special Education: A Guide for Researchers Ravindra Kumar Kushwaha,Kamlesh Yadav, Pradeep Kumar Yadav,Mukesh Kumar Yadav,2024-08-16 Ethical Frameworks in Special Education A Guide for Researchers is an essential edited volume that navigates the complex ethical landscape of special education research This guide provides a comprehensive overview of ethical principles and considerations unique to the field emphasizing the importance of respecting the rights and dignity of individuals with disabilities Each chapter offers practical insights and case studies addressing topics such as informed consent confidentiality and the balancing of risks and benefits The book is an invaluable resource for researchers committed to conducting ethical responsible and impactful studies that advance knowledge and practice in special education Honestly Biased Janu Goswami,2025-10-15 Bias is one of the most persistent forces shaping

human life It appears in the most intimate spaces of family silently influencing how children are raised and how relationships evolve It emerges in professional environments deciding who gets opportunities and whose voices are ignored It shapes first impressions when strangers meet reinforces cycles of poverty hides within technological systems and is woven into cultural traditions that dictate what is considered normal or acceptable Though often invisible bias quietly directs human decisions relationships and structures of power This book is an exploration of these biases in their many forms It does not simply describe prejudice as an abstract concept but traces its presence across the everyday realities of modern life From the home to the workplace from society's treatment of the poor to the coded instructions of algorithms from personal encounters to global cultural exchanges the book shows how bias operates how it divides and how it can be challenged Blending analytical insight with philosophical reflection the book offers both a critique of the systems that perpetuate injustice and a hopeful vision of what is possible when awareness leads to transformation It invites readers to confront uncomfortable truths but also to imagine new ways of living that expand fairness empathy and dignity Ultimately this is not only a study of bias but a call to courage It reminds us that while bias may be a universal part of the human condition it does not need to define our destiny With awareness persistence and compassion humanity can reshape its future one choice one relationship one act of justice at a time
