Surviving Motherhood Together Olivia Young, Heather Hearn, 2022-09. Surviving Motherhood Together. Honest Moms Real Stories. Heather Hearn Olivia Young. This book is a collection of several mothers' experiences, thoughts, ideas, true stories and top tips relating to their first few years of raising their children. As my own daughter is currently struggling through various aspects of raising her own two little boys, we saw that there was a need for a book for new moms but one that didn't tell them what to do or how to do it, rather one that shared other's mom's trials and tribulations as well as their successes and victories. In this way, a new mother, a mother to be or even a woman who has already had a baby can see that they are not alone in their struggles. Other moms had been through the same exhaustion, confusion, frustrations and trials but have found a way to get through and come out of the experience guilt free and triumphant. The sole purpose of the book is to share experiences and ideas and to support other moms by showing them that they are not alone. It has been said that it takes a village to raise a child, well, this is the contribution of our village to other moms as they go about raising their children. Our book includes the following topics: Do birth plans go according to plan? Premature and Lockdown babies. Your long awaited angel is less than angelic. When sticking to your mothering plan is somewhat sticky. Is breast really best? Deciding if baby needs a doctor and those dreaded

vaccinations Is baby's teething trouble reducing your tears Will baby sharing your bed sacrifice your marriage Is your OCD
overtaking your Child The forever food fight The shock of the terrible twos and tantrum threes Pushing your patience Ditching
the dummy binning the bottle and dealing with other substitute crutches Is toilet training driving you potty Working moms
and the need for nursery school normality The pure joy and positives of parenting Wrapping it all up Each chapter includes
