*Contemporary Art and Multicultural Education* Susan Cahan, Zoya Kocur, 1996 Contemporary art and multicultural education is the first book of its kind to address the role of art within today's multicultural education. Co-published with the New Museum of Contemporary Art, this beautifully illustrated book provides both theoretical foundations and practical resources for art educators and students, combining exquisite color reproductions, statements from contemporary artists, and interviews with notable educators. Absent from multicultural art education is an approach which connects everyday experience, social critique, and creative expression with classroom learning for students from widely varied backgrounds and differing levels of English comprehension. Art becomes a vital means of reflecting upon the nature of society and social existence. To this end, this volume features both works of art and artists' personal statements in English and Spanish, with lesson plans which explore topics that connect what students learn in school to what life experiences might reveal. *Social Media Storytelling* Marie Elisabeth Mueller, Devadas Rajaram, 2022-07-29 Offering a radical new toolbox for digital storytellers, this key text contains everything today's media practitioners need to know about conceptualising, editing, and producing stories for online platforms and audiences. This book teaches readers practical skills for increasing their reach online, strengthening their personal brand, and improving follower counts across the social web, including main platforms such as Twitter, Snapchat, TikTok, Instagram, and Facebook. Encouraging a DIY approach, the authors guide readers through various platforms and reveal which are best suited to their users and how to customise stories for different channels. Topics covered include storytelling with smartphones, iOS and Android storyboarding, framing, sequencing, shooting, and editing high-quality content, and evaluating the success of content and campaigns. Contributions from five industry experts expand on privacy, community building, and collaboration. The book concludes by looking to the future of social media storytelling, with industry professionals offering predictions for trends to watch out for. *Social Media Storytelling* is an essential resource for students of mobile and multimedia journalism, digital media, and media marketing, as well as for professionals who want to learn how to create compelling content and tell impactful brand stories. The book also features accompanying online exercises. **The Church Times**, 1900 **The Saturday Evening Post**, 1922 **Atkinson's Evening Post, and Philadelphia Saturday News**, 1922 SCC Library has 1974-89 plus scattered issues **Circa**, 1990 *Collier's Encyclopedia* William Darrach Halsey, 1985 *The Breeder's Gazette*, 1905 *Library Journal*, 2001 *School Library Journal*, 2001 **SCOLAG**, 1997 **Contemporary Poets** Thomas Riggs, 1995 This reference work combines bibliographical, biographical, and critical information on 900 living poets writing in the English language.
