Is Corporate Capitalism the Best We've Got to Offer? Michael Schluter, 2023-06-26 How you can help make companies markets and government fit for purpose If we are serious about transforming capitalist economies we need to start by looking at how these systems connect us as human beings Today few relationships are personal Instead we are linked en masse through vast complex networks financial political social digital The shape and rules of engagement of those networks exerts a powerful influence on our behaviour as governments as companies as NGOs and as individuals At the same time these networks seem to be beyond the possibility of being influenced let alone controlled by governments other individual companies the media NGOs or us as individuals The major challenge facing us is not about ethics Rather it is to design companies markets and government in such a way that the pursuit of justice and sustainability no longer competes with the pursuit of wealth but instead forms a self reinforcing virtuous cycle
