Emotions Online Alan Petersen,2022-12-30 Digital media have become deeply immersed in our lives heightening both hopes and fears of their affordances While the internet mobile phones and social media offer their users many options they also engender concerns about their manipulations and intrusions *Emotions Online* explores the visions that shape responses to media and the emotional regimes that govern people s engagements with them This book critically examines evidence on the role of digital media in emotional life Offering a sociological perspective and using ideas from science and technology studies and media studies it explores The dimensions and operations of the online emotional economy Growing concerns about online harms and abuse especially to children Deepfakes and other forms of image based abuse The role of hope in shaping online behaviours Digital well being and its market COVID 19 s impacts on perceptions of digital media and Big Tech Growing challenges to centralised control of the internet and the implications for future emotional life The book breaks new ground in the sociological study of digital media and the emotions It reveals the dynamics of online emotional regimes showing how deceptive designs and algorithm driven technologies serve to attract and engage users As it argues digital media rely on the emotional labours of many people including social media influencers and content moderators who make the internet seem smart The book provides an invaluable overview of the evidence and debates on the role of digital media in emotional life and guidance for future research policy and action

Pivoting and Producing for Online TV Alexa Scarlata,2025-05-02 The introduction and diffusion of international subscription video on demand SVOD services in the 2010s represented the most significant disruption of established national broadcast and pay TV ecologies in their long history Using an in depth Australian case study this book narrates this profound period of proliferation

It also considers how incumbent commercial networks pay TV providers and public service broadcasters developed into online TV providers albeit in assorted ways In so doing it conceives of the early impact of online TV 2015 2020 more broadly and acknowledges the role of both new and old TV players The industry wide shift towards online TV over this period also impacted existing television drama production cultures SVOD services provided a fruitful avenue for the distribution of existing archives and slowly began to support the production of new Australian content with an increasingly global focus However the formal arrival of online TV certainly did not usher in the boom in original local television drama many anticipated Pivoting and Producing for Online TV Australia s Transition advances the macro analysis of television production strategies This book will be useful to students and researchers interested in media film and cultural studies
