by the first generation of Israeli independent content creators who gained their reputation by achieving viral success on social media. Some of them paved their way from the web to mainstream culture yet so far their fascinating innovations have not been researched. This pioneering book makes an important advancement in filling this gap by discussing cross over and transnationalism. It addresses among others issues of temporality, ideology, ontology, aesthetics, industry and commerce, humor and stardom.

Youth Mediations and Affective Relations Susan Driver, Natalie Coulter, 2018-10-01. Youth Mediations and Affective Relations explores dynamic and expansive possibilities of young people's affective lives as they engage with diverse social media in prolific and specific ways. It addresses the situated embodied and emotional experiences of young people as they actively use media in order to forge communities, play imaginatively, protest injustice, experiment with their identities, make media or explore friendships. Furthermore, it explores the relational and contextual dimensions of their everyday interactions. Against static knowledge and moral panics that abstract youth from the complex and changing worlds in which they grapple with digital media, this book hones in on the layered textures of youth experiences to consider how today's youth think and feel in subtle and unexpected ways.

Mediated Millennials Jeremy Schulz, Laura Robinson, Aneka Khilnani, John Baldwin, Heloisa Pait, April A. Williams, Jenny Davis, Gabe Ignatow, 2019-11-11. Sponsored by the Communication Information Technologies and Media Sociology Section of the American Sociological Association. CITAMS Millennials and Media brings together case studies from across the globe to provide a timely examination of Generation Y's media practices.

Global Advertising Practice in a Borderless World Robert Crawford, Linda Brennan, Lukas Parker, 2017-07-14 Cultural and regional differences in creating and managing advertising require unique responses to a dynamic rapidly globalising business environment To be global in advertising is no longer to be homogenised or standardised it is to be at the leading edge of social and cultural trends that are changing the world as we know it Global Advertising Practice in a

Borderless World covers a wide range of adaptive advertising practices from major and emerging markets in mainstream and digital advertising. It focuses on understanding how the globalisation of advertising works in practice explored in three sections: globalising advertising in a media and communications context; advertising in a global world; and global advertising in a digital world. Covering past, present and potential futures through an impressive ensemble of global advertising practitioners and academics, the book combines academic rigour with practical insights to provide a comprehensive analysis of the changing dynamics between advertising and globalisation. It will be of great interest to researchers, educators and advanced students in advertising, global branding, international marketing, international business, media communication and cultural studies.

Break Through The Noise Tim Staples, Josh Young, 2019-07-09. The odds of getting a video onto YouTube's front page are 1 in 2,000,000, but Tim Staples, founder and CEO of Shareability, knows how to make the algorithms of YouTube, Google, Facebook and Instagram work for you, and he has the results to prove it with a thriving business that has gotten their videos onto YouTube's front page an amazing 25 times. Here he shows savvy marketers, entrepreneurs and online celebrity wannabes how they too can develop clever videos that amass millions of views. Staples outlines a nine-step approach that anyone can use to launch their product or service without having to invest a fortune. Case studies featured in the book include how Shareability launched ROC Headphones, a multi-million-dollar global brand with a viral video of Cristiano Ronaldo in disguise without spending a nickel on traditional advertising; how they used babies to create the most successful social video ever about the Olympic Games; how they propelled a small pet food company from obscurity to an IPO on the power of two viral videos; and how they helped Cricket Wireless become the most shared brand in the wireless space, beating telco powerhouses like Verizon, AT&T and Sprint.
