But Henry Archer is no ordinary barista. He's a tech billionaire in disguise and the mastermind behind an AI chatbot designed to write like humans. Henry is captivated by Gina's talent and determined to learn from her. What Gina doesn't know is that he's also using her word choices to fine-tune the very technology that she fears might render her craft obsolete. As they grow closer, Henry finds himself in a moral quandary, torn between his growing feelings for Gina and the innovative technology that could change the writing industry forever. Gina, in turn, is drawn to the charming barista with a passion for words, warning him against using AI and teaching him to write from the heart. Love is the
