Promoting Online Voices for Countering Violent Extremism

Todd C. Helmus, Erin York, Peter Chalk, 2013 American Muslims have played an important role in helping to counter violent extremism CVE and support for al Qa ida and are increasingly using the Internet and social media to these ends Discussions with a number of Muslim leaders active in social media suggest that it is possible to expand such efforts even further and doing so is a major objective of the August 2011 White House strategy to counter violent extremism RAND researchers

reviewed literature and interviewed American Muslims experienced in social media to understand and explain key challenges facing Muslim activists against extremism and to identify ways in which the public and private sector can help empower CVE voices online Their recommendations include reducing the national security focus of CVE where possible addressing sources of mistrust within the Muslim community focusing engagement and education on those influential in social media and enhancing both government and private sector funding and engagement **Brandweek** ,2010-10 The Social Employee: How Great Companies Make Social Media Work Cheryl Burgess,Mark Burgess,2013-08-21 Presents cases studies and interviews about companies that have successfully used the digital presence of its employees and customers to represent the company brand Streampunks Robert Kyncl,Maany Peyvan,2017-09-05 An entertainment and tech insider YouTube s chief business officer delivers the first detailed account of the rise of YouTube the creative minds who have capitalized on it to become pop culture stars and how streaming video is revolutionizing the media world In the past ten years the internet video platform YouTube has changed media and entertainment as profoundly as the invention of film radio and television did more than six decades earlier Streampunks is a firsthand account of this upstart company examining how it evolved and where it will take us next Sharing behind the scenes stories of YouTube s most influential stars Streampunks like Tyler Oakley Lilly Singh and Casey Neistat and the dealmakers brokering the future of entertainment like Scooter Braun and Shane Smith Robert Kyncl uses his experiences at three of the most innovative media companies HBO Netflix and YouTube to tell the story of streaming video and this modern pop culture juggernaut Collaborating with Google speechwriter Maany Peyvan Kyncl explains how the new rules of entertainment are being written and how and why the media landscape is radically changing while giving aspiring Streampunks some necessary advice to launch their own new media careers Kyncl persuasively argues that despite concerns about technology impoverishing artists or undermining artistic quality the new media revolution is actually fueling a creative boom and leading to more compelling diverse and immersive content Enlightening surprising and thoroughly entertaining Streampunks is a revelatory ride through the new media rebellion that is reshaping our world
