D. Bedford,Dr. Elias G. Carayannis,2018-03-05 These proceedings represent the work of researchers participating in the 6th International Conference on Innovation and Entrepreneurship ICIE 2018 which is being co hosted by Georgetown University and George Washington University and is being held at The University of the District of Columbia UDC on 5 6 March 2018 *Hitler's Millennial Reich* David Redles,2008-11-01 A brilliant study of the convergence of apocalyptic anxiety and authoritarianism in Germany A story unfortunately of continuing relevance Charles B Strozier author of *Apocalypse On the Psychology of Fundamentalism in America After World War I* German citizens sought not merely relief from the political economic social and cultural upheaval that wracked Weimar Germany but also mental salvation With promises of order prosperity and community Adolph Hitler fulfilled a profoundly spiritual need on behalf of those who converted to Nazism and thus became not only F hrer but Messiah contends David Redles who believes that millenarian sentiment was central to the rise of Nazism As opposed to many works which depersonalize Nazism by focusing on institutional factors Redles offers a fresh view of the impact and potential for millenarian movements The writings of both major and minor Nazi party figures in which there echoes a striking religiosity and salvational faith reveal how receptive Germans were to the notion of a millennial Reich such

as that offered by Hitler Redles illustrates how Hitler s apocalyptic prophecies of a coming final battle with the so called Jewish Bolsheviks one that was conceived to be a war of annihilation was transformed into an equally eschatological Final Solution Redles has done an extraordinarily careful and brilliant analysis of the archival material to reveal Hitler s messianic charisma his appeal both on the ideological and psychological level illustrating that if you can convince people that they live in apocalyptic times and you have the key to their collective salvation you can get them to do anything Richard Landes Director Center for Millennial Studies Department of History Boston University
