Pull Up Your Socks AbdulGaniy Shehu, 2018-02-04 The Freelance economy is soaring and millennials are keying into it. In the United States alone, there are about 53 million people doing freelance work. In the EU labour market, the gig economy, as it's fondly called, is growing faster. Freelancers are the fastest growing group in the EU labour market, with their numbers increasing by 45% from just under 6.2 million to 8.9 million in 2013. The reality is that freelancing has come to stay. Many have accepted it as a job, and the numbers will continue increasing. Freelance writing, an integral part of online business, accounts for a large chunk of the gig economy. Freelance writers fill this void by creating content for their clients all over the world. They are involved in series of activities such as web content creation, guest posting, ghost writing, lead generation, feature writing, B2B, B2C writing, and the list is endless. In a bid to make a living through writing, many beginners who are eager to join the industry but don't know where or how to start. They don't know what it
