MicroMarketing: Get Big Results by Thinking and Acting Small Greg Verdino, 2010-06-18. Every day the world sees 1 million new blog posts, tens of millions of tweets, hundreds of millions of new pieces of Facebook content, and more than 1 billion YouTube videos. Where does your brand fit in? In our age of information saturation, consumer attention is the scarcest commodity of all, which makes your job tougher than ever. How do you thread your messages through billions of bite-sized information snapshots to reach the right people? One thing's for sure: you're not going to succeed using traditional approaches. Mass marketing is dead; the next big thing is indeed very small. microMARKETING empowers you to rethink, retool, and revitalize your marketing strategies to take full advantage of the opportunities created by the microcontent explosion. A pioneer in the world of microcontent marketing, Greg Verdino helps you create a strategy that emphasizes relationships over reach, interaction over interruption, and social networking over broadcast networks. You'll find the answers to today's toughest questions: How do I earn the attention of the right influencers and my core customers? How do I really build my brand, one blog post, one video clip, or even one tweet at a time? How do I achieve massive scale when mainstream media is losing ground to consumer content creators and peer-to-peer distribution? How do I strike a balance between tapping into today's biggest marketing trends without losing sight of the little things that matter? When one door closes, another opens.

Mass marketing is no longer a viable marketing strategy and likely never will be again Micromarketing though enables you to resonate with consumers in compelling new ways and achieve the big results that no longer seem possible with traditional approaches It s time to start building your brand finding new customers establishing relationships and getting real results on this exciting new frontier microMARKETING will show you the way Game On Jon Radoff,2011-03-16 A never before published look at the many possibilities of social game development As one of the few entrepreneurs in the world with expertise building both social media and games author Jon Radoff brings a one of a kind perspective to this unique book He shows that games are more than a profitable form of entertainment the techniques of social games can be used to enhance the quality of online applications social media and a wide range of other consumer and business experiences With this book you ll explore how social games can be put to work for any business and examine why they work at all The first part of explains what makes games fun while the second part reviews the process and details of game design Looks at how games are the basis for many everyday functions and explains how techniques of social games can be used by businesses as money making tools Drills down the process of game design while focusing on the design analysis and creation of games Features screen shots diagrams and explanations to illuminate key concepts accessible to anyone regardless of game playing or design experience Reviews what works and what doesn t using a range of real world scenarios as examples Author Jon Radoff has a unique blend of experiences creating games Internet based social media and Web technology Game On is not playing around Discover how social media games make money and how you can enhance your business using games 10 Profitable Ideas for YouTube Shorts , empreender,2023-02-13 In this powerful report we will provide you with 10 profitable ideas for the creation of YouTube Shorts YouTube Shorts is gaining popularity and now receives billions of views every day You can take advantage of this by creating YouTube Shorts that promote your business Once you start creating YouTube Shorts you need to be consistent YouTube users like the short videos and they will want to see more from you regularly Coming up with ideas for your YouTube Shorts can be a challenge Use the ideas in this report so that you can plan for YouTube Shorts creation well into the future **Management Des Stratégies À Découvrir** ,2009-03 **Broadcasting & Cable** ,2007
