Hillman,2024-06-06 According to Communist Party discourse China s New Era began when Xi Jinping was anointed Party boss in 2012 The shape of this New Era became eminently clear in 2023 when Xi commenced his third five year term as General Secretary of the Party a fortification of one man authoritarian rule unprecedented in post Mao China Under Xi the Party has expanded its influence over government the economy and society The Party State is now more Party than State The year 2023 saw other new eras for China as well Despite initial optimism sparked by the end of COVID 19 restrictions in late 2022 the Chinese economy in 2023 was buffeted by continuing property sector woes record unemployment and an unfolding local government debt crisis Globally China adopted a series of new and ambitious diplomatic initiatives to woo the Global South and amplify its voice on the world stage The China Story Yearbook 2023 China s New Era provides informed perspectives on these and other important stories that will resonate for years to come **Seduced by Mrs. Robinson**

Beverly Gray,2017-11-07 An Amazon Best Book of the Month Gray writes smartly and insightfully The book as a whole offers a fascinating look at how this movie tells a timeless story The Washington Post Mrs Robinson you re trying to seduce me Aren t you When The Graduate premiered in December 1967 its filmmakers had only modest expectations for what seemed to be a small sexy art house comedy adapted from an obscure first novel by an eccentric twenty four year old There was little indication that this offbeat story a young man just out of college has an affair with one of his parents friends and then runs off with her daughter would turn out to be a monster hit with an extended run in theaters and seven Academy Award nominations The film catapulted an unknown actor Dustin Hoffman to stardom with a role that is now permanently engraved in our collective memory While turning the word plastics into shorthand for soulless work and a corporate consumer culture The Graduate sparked a national debate about what was starting to be called the generation gap Now in time for this iconic film s fiftieth birthday author Beverly Gray offers up a smart close reading of the film itself as well as vivid never before revealed details from behind the scenes of the production including all the drama and decision making of the cast and crew For movie buffs and pop culture fanatics Seduced by Mrs Robinson brings to light The Graduate s huge influence on the future of filmmaking And it explores how this unconventional movie rocked the late sixties world both reflecting and changing the era s views of sex work and marriage *Human Extinction* Émile P. Torres,2023-06-15 This volume traces the origins and evolution of the idea of human extinction from the ancient Presocratics through contemporary work on existential risks Many leading intellectuals agree that the risk of human extinction this century may be higher than at any point in our

300 000 year history as a species This book provides insight on the key questions that inform this discussion including when humans began to worry about their own extinction and how the debate has changed over time It establishes a new theoretical foundation for thinking about the ethics of our extinction arguing that extinction would be very bad under most circumstances although the outcome might be on balance good Throughout the book graphs tables and images further illustrate how human choices and attitudes about extinction have evolved in Western history In its thorough examination of humanity s past this book also provides a starting point for understanding our future Although accessible enough to be read by undergraduates Human Extinction contains new and thought provoking research that will benefit even established academic philosophers and historians A Companion to Public Philosophy Lee McIntyre, Nancy McHugh, Ian

Olasov, 2022-03-30 The first anthology devoted to the theory and practice of all forms of public philosophy A Companion to Public Philosophy brings together in a single volume the diverse practices modalities and perspectives of this rapidly growing field Forty two chapters written by established practitioners and newer voices alike consider questions ranging from the definition of public philosophy to the value of public philosophy to both society and philosophy itself Throughout the book philosophers offer insights into the different publics they have engaged the topics they have explored the methods they have used and the lessons they have learned from these engagements The Companion explores important philosophical issues concerning the practice of philosophy in the public sphere how public philosophy relates to advocacy philosophical collaborations with political activists locations where public philosophy can be done and more Many essays highlight underserved topics such as effective altruism fat activism trans activism indigenous traditions and Africana philosophy while other essays set the stage for rigorous debates about the boundaries of public philosophy and its value as a legitimate way to do philosophy Discusses the range of approaches that professional philosophers can use to engage with non academic audiences Explores the history and impact of public philosophy from the time of Socrates to the modern era Highlights the work of public philosophers concerning issues of equity social justice environmentalism and medical ethics Covers the modalities used by contemporary public philosophers including film and television podcasting internet memes and community engaged teaching Includes essays by those who bring philosophy to corporations government policy consulting American prisons and activist groups across the political spectrum A Companion to Public Philosophy is essential reading for philosophers from all walks of life who are invested in and curious about the ways that philosophy can impact the public and how the public can impact philosophy It is also an excellent text for undergraduate and graduate courses on the theory and practice of public philosophy as well as broader courses on philosophy normative ethics and comparative and world philosophy *Multilingual* ,2007 **AI-Generated Podcast Scripting** Jade Summers, The Future of Podcasting is Here Are You Ready Podcasting has never been more exciting Whether you re an aspiring podcaster or a seasoned creator AI is revolutionizing how we script produce and distribute content This book unpacks the tools strategies and techniques you need
