EXCERPT FROM THE BOOK professional writers just starting out are likely to make a few common mistakes Here are a few you'll want to avoid

Expecting too much too soon It will take time to develop your professional career just as it takes time to develop any career For a while you'll just be establishing your professional identity and then you might get a little work here and there It won't be enough to pay the bills at least at first but that's to be expected Stay committed and be persistent and your professional writing will eventually pay dividends

Lacking confidence You might be afraid to start because you don't think you're qualified

You'll need to conquer that fear however and develop confidence in yourself and your abilities As professionalr Anne Wayman argues in 6 professional Writing Careers and How to Overcome Them on her site About professional Writing the bottom line is if you want to be a successful writer you've got to quit giving into your fears You've got to write and submit or market and write It simply won't get done any other way Buy a copy to keep reading *Writing* Nick Stevens,2015-09-17 Discover a proven blueprint to creating freelance writing income so that you can quit your day job and have a thriving freelancing business Dear Friend This book will reveal to you an easy to follow process on how to begin generating income from your freelance writing business You might ask Is this really doable Yes How do I know Because I did it With zero experience and no formal training or degrees to help me I earn four figures monthly in part time hours I was able to start the business while working full time and am now able to focus on my writing full time Mind you this is without a boss or anyone looking over my shoulder My clients are happy with my work and they show me that by paying me and asking me to continue working with them This book contains proven steps and strategies on how to establish your freelance writing business Here is a preview of what you'll learn Why freelance writing Getting ready for freelance writing Looking for work Establishing your freelance writing business Key mistakes to avoid I've done these so avoid them The weird truth about job boards What to do after you've established your business And much much more These strategies and lessons truly have the power to help you a build a profitable home based business that has the ability to change your life The freelance writing business is one of the most thriving businesses in the internet today The problem for many is how to build one Some freelance writers start off optimistically but end up discouraged due to a lack of clients getting boring writing jobs and getting jobs with bad pay In this book you will learn how to build a profitable freelance writing business and how to maintain it Get your copy todaySee you on the inside so we can get started The Complete Guide to Online Freelance Writing Jobs for Students B C Bradford,2019-07 This guide walks students of any kind high school college and graduate students through how to make money from freelance writing online We discuss everything from how to find a niche and which niches are best for students how to set up a profile and website how to contact clients and how to raise your rates over time until you are making much more than you would make from most part time jobs Freelance writing is an excellent way for students to make money on the side without having to work a part time job with rigid hours And there's no limit on how much you can make I have over eight years of experience worked and tens of thousands of dollars earned from writing as a freelancer while also being a full time student I wrote this how to guide leveraging the experience I've gained from almost a decade of experience charging high rates and finding clients happy to pay my asking price Here's to getting started Freelance Writing Marcia Yudkin,1993-08-25 Unlike the mass of freelance writing books aimed at readers who fondly hope to become wealthy freelance writers any which way they can Freelance Wiling Breaking In Without Selling Out is for educated people whose primary motivation for trying to get into print is the wish to effectively communicate their ideas skills and discoveries in appropriate publications Few books are
