Escape Freelancing And Build Real Equity: Stop Trading Time, Start Owning Assets Simon Schroth, 2025-04-23

Freelancing can be an excellent way to earn income but it doesn't build long term wealth or equity. *Escape Freelancing and Build Real Equity* teaches you how to transition from a time for money model to building a business that generates wealth and owns valuable assets. This book covers how to develop a productized service or digital product, invest in assets like intellectual property and create a brand that increases in value over time. You'll learn how to build systems that automate your business operations, leverage recurring revenue models and hire a team to scale your business. The book also provides strategies to create a lasting legacy that generates passive income even when you're not actively working. If you want to escape the endless cycle of freelancing and build real wealth, *Escape Freelancing and Build Real Equity* gives you the tools to create long term scalable assets.

The Internet has opened up many freelance opportunities, expanded available markets and has contributed to service sector growth in many economies. Offshore outsourcing, online outsourcing and crowdsourcing are heavily reliant on the Internet to provide economical access to remote workers and frequently leverage technology to manage workflow to and from the employer. Much computer freelance work is being outsourced to developing countries outside the United States and Europe. Freelance marketplaces provide a marketplace for freelancers and buyers. Service providers or sellers create a

profile where they include a description of the services they offer examples of their work and in some cases information about their rates Buyers register and complete a basic profile and then post projects outlining their requirements Buyers will then bid for these projects on a fixed price or hourly basis 29 Many of these websites have user review sections that affect the reputation of freelancers who list there and which may be manipulated Freelance marketplaces have globalized competition for some jobs allowing workers in high and low income countries to compete with one another According to a 2016 study by the McKinsey Global Institute 15% of independent workers used online marketplaces to find work These marketplaces including Fiverr and Lyft have been criticized as exploiting workers Top 10 paying survey sites How to earn money online in India How to earn money online without paying anything How to earn money online without investment How to earn money online with Google How to earn money online in India for students How to earn money online without investment for students How to make money online for beginners How to earn money online Philippines Top 10 paying survey sites Make money online now How to make money online for free How to earn money online in India How to make money online for beginners Make money online with Google How to earn money online without investment How to make money online in Nigeria How to make money online without paying anything Top 10 paying survey sites Earn money app How to earn money online without investment How to earn money online in India How to earn money online with Google How to earn money from home How to earn money online without investment for students How to earn money online without paying anything How to earn money from home without any investment
