### **Escape Freelancing And Build Real Equity: Stop Trading Time, Start Owning Assets** Simon Schroth,2025-04-23

Freelancing can be an excellent way to earn income but it doesn't build long term wealth or equity. *Escape Freelancing and Build Real Equity* teaches you how to transition from a time for money model to building a business that generates wealth and owns valuable assets. This book covers how to develop a productized service or digital product, invest in assets like intellectual property, and create a brand that increases in value over time. You'll learn how to build systems that automate your business operations, leverage recurring revenue models, and hire a team to scale your business. The book also provides strategies to create a lasting legacy that generates passive income even when you're not actively working. If you want to escape the endless cycle of freelancing and build real wealth, *Escape Freelancing and Build Real Equity* gives you the tools to create long term scalable assets.

***Nomad Unleashed*** Chris Lange, *The Digital Nomad's Guide* is a practical handbook for aspiring digital nomads covering the essentials of remote work, travel, and lifestyle. It begins with an introduction to Digital Nomadism, followed by advice on financial planning, work arrangements, and legal considerations. The book explores various job opportunities and delves into the daily life of a digital nomad, including travel planning, cultural adaptation, and work-life balance. It also addresses important financial aspects and emphasizes personal growth. Finally, the guide discusses the challenges and rewards of returning home or continuing the nomadic journey and offers insights into the future of digital nomadism. Packed with personal experiences and resources, this handbook is an essential read for those seeking to embrace a life of freedom and adventure.
