

A photograph of two women sitting on a beach at sunset, working on laptops. The woman on the left has curly hair and is smiling, while the woman on the right has long blonde hair and is looking at her laptop. The background shows a beach with some structures and a warm, golden light from the setting sun.

The Digital Nomad's Guide to the World 2018 Christopher Dodd, 2018-01-09 Digital Nomads travel in a different way We're

not necessarily backpackers and we're definitely not vacationers. We usually stay longer in each destination but we're not really expats. We may arrive on a tourist visa but chances are we're not going on tours every day. Instead, what defines the digital nomad lifestyle is the idea that we take our work with us and that no matter where we are in the world, there is always work to be done. The Digital Nomad's Guide to The World is the travel guide to the world for this new generation of travellers. Discover the 14 of the best destinations for living the remote work lifestyle with in-depth profiles covering everything from cost of living to where to cowork, written by the most prolific content creator in the digital nomad space for the last two years, Christopher Dodd. If you're looking for travel advice and inspiration on where to take your remote work in 2018, this is your ultimate guide.

The World is My Office Chad Wyatt, 2020-01-09 Have you ever wanted to travel the world without a care or worry? As a full-time and successful digital nomad, I have over 10 years of experience travelling the world and working to sustain my travel habit. This success has taken me across countries all over the world whilst witnessing the jaw-dropping natural beauty and wonders of the world. Whilst undertaking these travels, I successfully built multiple businesses, worked with clients all over the world, completed a university degree and more importantly, learned the most valuable skills to get where I am today. The digital nomad trend is surging and will continue to grow in popularity over the years. The freelance market is expected to grow continuously, meaning that more opportunities for remote work are becoming available. Now is the time to make your move into the freelance world and become a digital nomad. This book will guide you through all the steps of becoming a digital nomad and prepare you with all the information you could need. Every aspect of this lifestyle will be covered, including popular topics such as how to find work and problems you may encounter. I am also offering personal support and help with any of the topics covered in this book. The details can be found in the book.
