Trending AI Content Repurposing For Small Business:

AI-Augmented Social Media Manager HEBooks, Tired of juggling content comments and campaigns only to feel like you're barely keeping up? The truth is managing social media manually isn't just slow; it's becoming obsolete. Algorithms change faster, audiences demand more, and competition grows tougher every day. AI Augmented Social Media Manager cuts through the noise with a clear, actionable guide to using artificial intelligence not as a replacement for your skills but as a force multiplier that saves time, boosts engagement, and scales your impact across platforms. Inside, you'll discover how to use AI for smarter scheduling, real-time audience insights, content creation in seconds, and performance-driven strategy without needing a tech degree or endless trial and error. This book doesn't just show you tools; it shows you how to think differently about your workflow so you stay ahead without burning out. If you want to work smarter, not harder, and grow your brand or clients with confidence in the age of AI, this book is your edge. Ready to stop struggling and start leading the future of marketing?

AI Concepts and Applications for Business Leaders Ken K. Wong DBA, 2025-08-24 This is every businessperson's essential guide to AI, no matter what industry, and it's written for those not steeped in technology. Ken packs every chapter with practical examples from around the world of AI in action and step-by-step advice on implementation. It's balanced and doesn't shy away from the tough issues, from ethics to job loss to the environment. This book will help your business navigate our AI-infused future. David Agnew, President, Seneca Polytechnic: In *AI Concepts and Applications for Business Leaders*, Dr. Ken Wong explores compelling examples of how artificial intelligence is transforming countless business sectors today whilst providing business leaders with practical insights to harness AI's future potential and drive innovation across their organisations. Darren Entwistle, President and CEO, TELUS: How many of these quotes were written by AI? Frightening or relieving? That's your call. Yet, if you want to continue driving the decision-making, you may consider reading Ken's book. My take is that intuition will remain a human activity. Asimov didn't seem against that view. And the world changes every day. So anything that can leverage our intuition is good. Tomorrow starts today. Xavier de Roquemaurel, CEO, Czapek Cie SA: Artificial intelligence is transforming industries, workplaces, and daily life. *AI Concepts and Applications for Business Leaders* demystifies key technologies, strategic implementations, and practical use cases across finance, healthcare, retail, and beyond. With clear insights on ethics, innovation, and the future of work, this book empowers executives, students, and professionals to navigate and lead in an AI-driven world. Bonus appendices offer hands-on prompt examples from data analysis to creative content generation. Whether you're building strategy or exploring possibilities, this is your essential roadmap to thriving in the era of intelligent technologies.
