Elevate Equity in Edtech Victoria Thompson, 2024

Discover the connections between technology and equity and develop a road map for integrating the ISTE Standards into your work to help foster equity in your school community. School leaders and administrators often view themselves as the instructional leaders of their schools and for good reason. So much of what happens in a school revolves around leaders guiding educators to provide high quality engaging instruction. But due to their multiple responsibilities some administrators are not fully aware of the technology and tools teachers are using and could use additional insight into how technology can be used to innovate instruction and foster equity. This book addresses these issues with guidance on how to create an equitable technology landscape by implementing the ISTE Standards which can provide structure for assessing technology use and serve as a gateway to equity for students teachers school leaders and more. This book will Help education leaders and coaches understand how technology can assist them in achieving greater equity in their school community. Demonstrate how effectively integrating the ISTE Standards can lead to greater tech equity in schools. Help readers formulate a plan for their school s edtech mission and vision with guidance and examples on technology visits and evaluations. Guide readers in implementing a system of technology accountability in their schools. Support educators with practical resources and introduce the author s comprehensive process for selecting technology tools with equity in mind. Through this book school leaders will gain a deeper understanding of the connections between technology and equity and get actionable steps for building a whole school approach to elevating equity.
