Leaving Kanchan Bhaskar, 2025-07-30 Raised by two loving parents in New Delhi India Kanchan Bhaskar has always been taught that marriage means companionship tenderness and mutual respect so when she enters into an arranged marriage this is the kind of partnership she anticipates with her new seemingly wonderful husband But after they marry she quickly discovers that his warmth is deceptive that the man beneath the bright charming facade is actually a narcissistic alcoholic and violent man Trapped in a nightmare Kanchan pleads with her husband to seek help for his issues but he refuses Meanwhile Indian law is not on her side and as the years pass she finds herself with three children to protect three children she fears she will lose custody of if she leaves Almost overnight she finds herself transformed into a tigress who will do whatever it takes to protect her cubs and she becomes determined to free them from their toxic father But it is not until many years later when the family of five moves from India to the United States that Kanchan is presented with a real opportunity to leave him and she takes it Chronicling Kanchan's gradual climb out of the abyss little by little day by day *Leaving* is the empowering story of how buoyed by her deep faith in a higher power and single minded in her determination to protect her children best she fought relentlessly to build a ramp toward freedom from her abuser In this memoir Kanchan clearly lays out the tools and methods she utilized in her pursuit of liberation and reveals how belief in self and belief in the Universe can not only be weapons of escape but also beautiful foundations for a triumphant purpose driven life
