[Integration in Education: Skill Obsolescence, Misuse, and Bias](#) Garcia, Manuel B., Rosak-Szyrocka, Joanna, Bozkurt, Aras, 2025-05-09 The integration of artificial intelligence AI in education rapidly transforms the teaching and learning process Recent systematic reviews have shown an increase in research studying the opportunities and challenges associated with AI in education This trend reflects a growing recognition of its potential to revolutionize educational practices However there are also growing concerns and issues with skill obsolescence leading to job displacement algorithm bias and misuse of AI for academic dishonesty As educational institutions increasingly rely on AI to enhance academic outcomes proactively

addressing these challenges ensures the ethical and responsible use of AI in education Pitfalls of AI Integration in Education Skill Obsolescence Misuse and Bias offers a targeted exploration of the critical challenges and concerns that arise as AI becomes more embedded in educational systems Focusing on emerging issues it addresses the gaps in current research and practice shedding light on the ethical practical and pedagogical dilemmas that educators students and institutions face Covering topics such as school infrastructure critical academic skills and intellectual property protection this book is an excellent resource for educators school administrators policymakers professionals researchers academicians and more

The Craft of Historical Research Isaac Land,2024-12-22 Complete with practical advice and helpful guidance this book is an approachable manual perfect for budding historians at all levels Its worksheets which focus on framing realistic goals and heading off common misunderstandings will aid independent work and make check ins with the advisor more candid and productive Drawing on examples from six continents as well as primary sources ranging from cuneiform tablets to emails students will learn about the effective deployment of quotations footnotes maps graphs images and data visualizations Throughout the book emphasis is placed on how the student can formulate support and revise their claims in a historical project with a skeptical reader in mind **Art Libraries Journal** ,2006 Producing Precarity Curtis Marez,2025-08-26 The hidden cost of TV production for communities of color Producing Precarity is a long overdue examination of the television industry s practice of offshoring production to impoverished sites within the US The author Curtis Marez focuses on state efforts to attract film and TV producers to poor places with tax incentives discounted public lands and subsidized infrastructures He argues that these efforts result in the redistribution of wealth from poor people of color Indigenous people and other taxpayers to Los Angeles based media makers while also diverting money that could be used for education and health care to the wealthy The popular series produced in these places such as Breaking Bad The Watchmen Lovecraft County The Walking Dead and Vida are praised by critics and awards organizations and highlighted by streaming services for challenging genre casting and narrative conventions However many of these shows rely on racialized and gendered low wage labor for production and diversity equity and inclusion representations can sometimes perpetuate repression such as depicting police as diversity champions Producing Precarity examines how contemporary streaming shows from these areas promote racial inequality in ideology and content as well as materially through their local production methods and perceptually through streaming distribution modes that discourage viewers from understanding how TV is made Marez also provides examples of local resistance including movements against a police training center and a film studio in Atlanta as well as anti gentrification movements in Latinx neighborhoods of LA **Dr. Dobb's Developer Update** ,1994 **Compute** ,1990-06 *Johannesburg* ,2000
