Implementing the Virtual Project Management Office Marcus Gonçalves, Marcus Gonçalves, 2006-08-23 Globalization and increased outsourcing have redefined project management. The complex dynamics involved in today's long-distance projects require a new skill set and knowledge base unlike anything needed before. Here, leading project management expert Marcus Gonçalves presents a complete guide to implementing the virtual project management office (ePMO). Leveraging his information technology expertise and PM experience, Gonçalves offers cutting-edge techniques for managing projects across borders, working with colleagues and clients from different cultures, and utilizing the necessary telecommunication and Internet technologies. ePM managers and their virtual teams and remote PM offices must have. *Implementing the Virtual Project Management Office* complies with the Project Management Institute's Project Management Body of Knowledge (PMBOK) guidelines and extends them to ePMO. After analyzing the benefits of ePM versus conventional project management, Gonçalves presents an in-depth discussion of ePM practices, scenarios, and challenges, aided by real-world examples and insightful case studies. Providing a full focus on the management and execution of virtual projects, Gonçalves demonstrates the time and cost-saving advantages, showing how to begin realizing those advantages immediately. He gives you: Guidelines for building virtual project teams; Step-by-step best practices for keeping an eProject on course; Techniques for measuring project performance and earned value; eTools for controlling project quality; Ways to integrate speed, change, and innovation for ePM success; A customer-driven approach to ePM. Gonçalves provides comprehensive information on developing a state-of-the-art virtual project management office, from the necessary structure and environment to the technology. He also defines what concurrent ePM is and the need for change management during the process. The bonus CD features sample policies, forms, budgets, checklists, and software, including the award-winning Mindmanager from Mindjet to assist in your ePMO implementation.

The Trusted Leader Terry Newell, Grant Reeher, Peter Ronayne, 2008 Government reform efforts usually focus on macro-level change heralded by new policies, programs, structures, and systems. Yet they tend to ignore that these reforms do not succeed without people. Public managers who form healthy working relationships built on trust are the micro-level change levers, the necessary pre-

condition to improving government Buttressed by their real world experience on the frontlines of a range of cases the authors demonstrate the importance of values based leadership Chapters then focus on tools the concrete ways in which leaders can improve themselves their organizations those they coach and the teams they establish to build effective relationships and the trust essential to success Surveying agencies both horizontally and vertically The Trusted Leader also addresses how public managers can collaborate with political appointees and the legislative branch all the while engaging with citizens through modern technologies to build exceptional customer experiences McGraw-Hill Education PMP Project Management Professional Exam Henrique Moura,2014-08-08 Publisher s Note Products purchased from Third Party sellers are not guaranteed by the publisher for quality authenticity or access to any online entitlements included with the product We want to help you succeed on the PROJECT MANAGEMENT PROFESSIONAL EXAM McGraw Hill Project Management Professional Exam helps you prepare for this important test and earn the certification that will advance your career Written by a project management expert and trainer this book provides you with the intensive review and practice that will help you achieve the results you want Covering all essential processes this book shows you how project management theory works in practice Inside you will find extensive review exercises hundreds of practice questions a complete practice exam and experience based tips to maximize your score You ll be able to sharpen your skills and boost your confidence and do your very best on test day Features One complete sample PMP exam 300 additional test like practice questions Dozens of review exercises covering all project management knowledge areas Clear explanations for all exercises and practice questions Practical examples that show project management processes in the everyday workplace **Managing 21st Century Libraries** Lyndon Pugh,2005 It seems that being in a state of uncertainty is the overwhelming characteristic of library organizations today but there are ways in which this can be used to improve our organizations The power of negative capability is that it supports reflection and measured thinking and in the right sort of organization it will release creative energy This book presents the characteristics of those organizations Managing 21st Century Libraries is primarily concerned with creating the circumstances in which people can maximize the use of their talents and generating the opportunities for people to work with others in ways that engage all of the abilities of everyone involved It is about developing an organization that is an interesting stimulating provocative and effective place to work Above all the book is about the ways in which library managers and staff can develop systems for managing contemporary library services and thus take advantage of the unique combination of circumstances that provide the potential for innovative organization development in the library services of today It relates important issues in people management to the characteristics of libraries that deal significantly with both digital and printed material **Knowledge Management and the Role of HR** Chris Harman,Sue Brelade,2000 Companies are embracing knowledge management in an attempt to offset the damaging effects of downsizing and greater job mobility Journal of Management Information Systems ,1997 **Improving Business Communication Skills**
