If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere, the place you call home still matters a lot. By the old rules of work, your dream career determines where you live. If you want to make movies, move to Los Angeles. If you want to work in publishing, you must be in New York. And if you're launching a startup, you'll only succeed in Silicon Valley. But with the meteoric rise of remote and freelance work, more people than ever are becoming location-independent. Even doctors, teachers, and other people in more traditional occupations have to make tough choices about where they settle, because living in the right place can still make all the difference for your

success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be Marketing for Tourism, Hospitality & Events
