contributed his share of food for the village The chief rewarded him with his daughter When she was a little baby still on her mother's breast her family was massacred by the natives She was found crying under some small bushes and a warrior took her and gave her to the chief whose wife was nursing a young son and nursed her to become a very lovely maiden The chief later told Tom that his wife was not native and he had waited a long time to find the right man for his daughter When the horse thieves tried to kill him and harm his wife and family it was only then that he used his gun to kill the thieves Suffering from the buckshot in his back he had a man at a fort near Calgary dig the pellets out with his hunting knife You can read on and find out how Tom and Raven Feather learned to love each other in a deep and enduring way [Zion's Herald](#) ,1907
