Prophecy Fulfilled Gary Gallant,2023-09-03 This book is a daily devotional of the prophecies from the Old Testament fulfilled throughout history The foretelling from these prophets is historically accurate Most are fulfilled by Jesus Christ alone Jesus talks about fulfilling the Law and the prophets In the Sermon on the Mount Jesus said that He had not come to abolish the Law or the prophets but to fulfill them Matthew 5 17 Scripture tells of prophets their warnings and their prophecies Some spoke of good things to come while others described desperate times The fact that Jesus fulfilled the Law the Prophets and the Writings reminds us that

the Word of God is true steadfast and eternal God is active in every moment Prophets foretold the birth of Jesus and how He would face trials disappointment the unbelief of the people torture and death on the cross Scripture tells how Jesus would rise on the third day and ascend into Heaven to sit at the right hand of His Father Through each word spoken and each action Jesus showed what would happen Jesus knew that the plan of His Father was the best By reading and studying the Word of God we learn that everything Jesus said would happen is true Although not all prophecies have been fulfilled yet Christians know that the day is coming when Jesus will return

Gendered Technology in Translation and Interpreting

Esther Monzó-Nebot, Vicenta Tasa-Fuster, 2024-07-18 This collection takes an interdisciplinary approach to the study of gendered technology an emerging area of inquiry that draws on a range of fields to explore how technology is designed and used in a way that reinforces or challenges gender norms and inequalities The volume explores different perspectives on the impact of technology on gender relations through specific cases of translation and interpreting technologies In particular the book considers the slow response of legal frameworks in dealing with the rise of language based technologies especially machine translation and large language models and their impacts on individual and collective rights Part I introduces the study of gendered technologies at this intersection of legal and translation and interpreting research before moving into case studies of specific technologies The cases explored in Parts II and III discuss the impact of interpreting and translation technologies on language professionals language communities and gender inequalities while stressing the future needs of gendered technology particularly machine translation Taken together the collection demonstrates the value of a cross disciplinary approach in better understanding how language technologies can be harnessed to address discrimination and contribute to growing discussions on gender equality and social justice at the intersection of technology and translation This book will be of interest to scholars in translation and interpreting studies gender studies language technologies and language and the law
