The Entirepreneur Bill Bolton, John Thompson, 2015-05-15 In this groundbreaking book Bill Bolton and John Thompson present a completely new take on the conventional domains of entrepreneur leader and manager They argue that in today's turbulent and uncertain world businesses no longer have the time for a business cycle that begins with an entrepreneur hands over to a manager and finally brings in a strategic leader when things are flagging The New Normal that now prevails requires that these things run together and calls for a new kind of all rounder Bolton and Thompson give us a new word to describe such a person The ENTIREPRENEUR The entirely competent person able to discern aright and make things happen Drawing upon the successful person centred approach of their books on entrepreneurs they first tell the stories of over 40 entirepreneurs demonstrating clearly that such people do exist After discussing the New Normal context they present a fascinating analysis that goes below the surface to describe the key Talent Temperament Technique and Discernment attributes that explain the entirepreneur Readers have the opportunity to make a

self evaluation of their own attribute strengths concluding with a final entrepreneur score This fascinating and insightful look at the entrepreneur is a clear pointer to what will be demanded of those who wish to succeed amid the vicissitudes of the New Normal **Quietly Powerful** Megumi Miki,2022-01-01 In the uncertain changing global and interconnected world the alpha or hero leadership style alone is outdated and inadequate Quieter professionals who are often overlooked or taken advantage of without recognition have immense value to contribute to organisations In this book Megumi Miki shares her own experience and those of many other quiet professionals who have achieved great success in the business environment Megumi believes that a shift in our beliefs about leadership will allow talented quiet professionals to view their quiet nature as a strength and to succeed in their own way rather than seeing it as a disadvantage She aims to empower quieter professionals and those outside majority groups to fulfil their potential Quietly Powerful challenges quiet professionals to reframe the story they tell themselves about their leadership potential and encourages organisations to expand their ideas about what good leadership looks sounds and feels like *Strategic Communication in Business and the Professions* Dan O'Hair,Gustav W.
