**Social Media for Journalists** Frances Yeoman, Steve Harrison, 2025-12-29. This book offers a concise guide to using social media ethically and responsibly for journalism. Focusing on the essential practical skills that journalists need to operate successfully across multiple social media platforms, *Social Media for Journalists* takes readers step by step through the entire journalistic process from story generation and newsgathering through content creation and verification to dissemination and audience interactivity, and considers how one can best utilise social media at every stage. The book considers legal and ethical implications of social media use, providing students with opportunities to reflect on the difference between what they can do and what they should do given the tools at their disposal. Other critical topics introduced include the use of artificial intelligence, ensuring mental wellbeing, and the continued importance of journalists in a society in which everyone can publish widely. Each chapter takes a quick reference Q & A format and draws on case studies and examples from around the world and across various fields of journalism. *Social Media for Journalists* is an essential textbook for undergraduate students approaching online and multimedia reporting for the first time.

**Managing Sport Events** T. Christopher Greenwell, Leigh Ann Danzey-Bussell, David J. Shonk, 2024-06-26. Running a sport event, whether it's an international competition or local youth tournament, requires acute knowledge and the ability to plan, organize, promote, lead, and communicate effectively. And no other text prepares students for the task as effectively as *Managing Sport Events*. Third Edition. With HKPropel Access. While other texts in this space stray into the area of facility management, *Managing Sport Events* keeps its focus where it should be by providing a thorough grounding of the entire event management process. Beginning with an overview of event conception and development, the text then moves into the principal planning areas of budgeting, marketing, promotion, sponsorships, and legal and risk management. Later chapters focus on key operational areas such as staffing, event services, and logistics, and event day management, and it closes with postevent details and evaluation. The third edition includes new and updated content that incorporates plenty of contemporary real-life examples. Insights into how event management has been affected by COVID-19 and by the emergence of social media, sustainability efforts, and diversity, equity, and inclusion (DEI) initiatives. All new content addressing the role of brand ambassadors, social media influencers, and nontraditional media in promoting events and encouraging fan engagement. An updated discussion of event sponsorships and how sport organizations are implementing creative activation strategies pre-event and game-day deliverables, and the latest technologies to maximize exposure and measure effectiveness. An expanded discussion of contracts and other legal considerations such as compliance.
