Instagram Secrets Alexander Vinci, 2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret

sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book [Building Your Personal Brand: Learn How To Create Your Business Personal Brand, Build Online Reputation, And Succeed In Becoming A Social Media Infl](#) Rebecca Parcker,2021-01-24 Discover the only guide you ll ever need to build a powerful personal brand in the digital age stand out from the crowd and become a sought after influencer Have you ever wondered how some people can pull attention and get others to do almost everything they say Are you sick of being lost in the ocean of mediocrity and tired of being ignored and looked over in favor of more charismatic competitors or colleagues In this insightful and practical guide Rebecca Parcker skips the fluff and hands you the complete playbook to building a personal brand that will help you succeed as a social media influencer and help you chart your way to success in the age of social media Here s a snippet of what you re going to discover in Building Your Personal Brand Everything you need to know about building a solid personal brand that people can trust and will bring in life changing opportunities for you The 6 step method to building a rock solid personal brand that people instinctively trust How to make your brand stick out like a sore thumb but in a perfect way Proven ways to effectively deal with catastrophic failure and brand image damage The simple 5 point checklist every advertiser must pass before you allow them to work on your brand The ultimate guide to online branding and social media awareness Step by step instructions to create an influencer marketing strategy that will help you achieve your goals and tons more Whether you re a student entrepreneur in employment or a top level executive this book has everything you need to build a brand that will help you differentiate yourself outshine your competitors and leave them in the dust **Instagram Influencer Secrets** Charlotte Sterling,2019-06-07 Want to turn your Instagram followers into dollars Are you looking to build your business on
