of research **Global Business Environment** Mansi Kapoor, 2025-03-11 This book discusses the shifting paradigms in global business environment from the Fourth Industrial Revolution Industry 4.0 to the Fifth Industrial Revolution Industry 5.0. It captures the current shifts in the global environment for business caused mainly by the disruptive nature of rapid technological advancements and the consequences of globalisation which impact political, social and economic changes. Divided into six sections: Political, Economic, Socio-Cultural, Technological, Ethical, Environmental, this book attempts to build perspectives on current trends sweeping globally across political, technological, socio-cultural and economic landscapes. Furnished with up-to-date examples and case studies, it presents an exhaustive yet lucid view of current socio-economic realities, the latest technological advancements, political undercurrents and the issues and challenges confronting organisations and institutions both globally and locally. It is a compelling narrative based on ongoing years of deep research, cases, theoretical frameworks and insights that can help navigate what seems like an unimaginable future. This book will be useful to students, researchers and teachers of management, economics, liberal arts and related social sciences disciplines. It will also be a useful reference for those studying Public Policy and Law.

Reinventing Blogging with ChatGPT Laua Maya, 2023-05-12 Reinventing Blogging with ChatGPT is a comprehensive guidebook for bloggers and authors seeking to enhance their content creation workflow through the use of AI language model ChatGPT. The book provides a clear and concise overview of the entire process from identifying target audiences and niches to sharing posts on social media and evaluating blog performance. What sets this book apart is its focus on writing from prompts. To aid bloggers in generating fresh and creative ideas, the authors provide various sentence, multiple sentence and conversation prompts throughout the book. These prompts are designed to complement specific chapters such as Creating Your Blog's Mission Statement and Brainstorming Blog Post Topics and can help bloggers who may be struggling to come up with ideas. In addition to prompts, the book covers other essential aspects of blogging such as search engine optimization (SEO), affiliate marketing and social media promotion. The authors offer actionable advice and tactics on how to increase visibility and readership through strategic use of these tools. For instance, in the chapter Inserting Strategic Links and Affiliate Links, the writers provide best practices for incorporating affiliate links to monetize blogs without sacrificing writing integrity. The book also devotes several chapters to leveraging ChatGPT to improve the content development process. The authors provide an overview of ChatGPT and explain how to use it for generating topic ideas, refining writing and creating attention-grabbing headlines. The prompts offered throughout the book make it easy for bloggers to produce high-quality content quickly and easily. Another key feature of the book is its focus on reader engagement. The authors offer practical advice on developing relationships with and maintaining interest from the target audience. The section Interacting with Your Audience details how bloggers can encourage conversation and feedback through comments and other tools. Finally, the book concludes with a chapter on performance analysis. The authors provide guidance on measuring the success of blog content using metrics such as

readership and time spent on site By monitoring these statistics bloggers can identify what is working and what is not leading to better content and higher rankings In conclusion Reinventing Blogging with ChatGPT is an invaluable resource for bloggers and authors seeking to improve their content creation process and attract a larger readership The book s emphasis on writing from prompts and practical advice for audience engagement and performance analysis make it a must read for bloggers of all skill levels
