Now in its second edition, *Quick Team Building Activities for Busy Managers* addresses the problems that drag down group productivity and helps teams collaborate successfully. Cope with change. Solve problems together. Communicate better despite cultural and generational differences. Boost creativity. Leverage diversity. Nurture healthy competition. Each of the 50 team building activities in this invaluable resource takes only minutes to prep and uses only everyday office items to get its point across. In just 15 minutes a day, the results will be immediate: sullen teams find sparkle, nervous teams gain confidence, teams of strangers get to know one another. There are even activities to help the virtual team. No one will be left out, and all will leave the activity feeling better about their team and their individual role within it.
