Work Life Well-Lived Kelly Mackin, 2024-04-02 This book will disrupt how you think about creating your best work life and workplace and give you a no B S road map to get you there What you've been taught about how to find health and happiness at work is inaccurate Yep it's wrong If you are fed up with the overwhelming and conflicting noise around how to create a fulfilling professional life or be a leader people actually want to work for this book will help you cut through the clutter once and for all Through years of research and truth finding Kelly Mackin and her company Motives Met have discovered a completely new mindset and approach around what well being at work is all about how to get there and why it's so important that we do get there This book is a transformative personal guide but it's also a call to action for a fundamental shift in our approach to work a manifesto for a human centered work world The heart of humanizing work is honoring that we are human beings at work with human needs and these needs what Mackin refers to as motives should be healthy and ideally thriving Ill being still drastically overshadows well being at work but using Mackin's proven framework and 5 step pathway we can change that You will become empowered to Elevate happiness mental health and well being for yourself the people you work with and those you lead Learn to be mindful of evaluate and communicate motives to ultimately meet them Create a people first culture where employees thrive and business thrives Overcome well being obstacles by eliminating the dream killers that threaten a human way of working Ditch surface level connection and friction for more meaningful work relationships with psychological safety and trust And so much more EXCLUSIVE HUMAN NEEDS ASSESSMENT CODE Are your motives met With your book purchase you will receive your code to take the Motives Met Human Needs Assessment to uncover your top 5 motives the psychological emotional and social human needs driving your ability to thrive at work today The assessment reveals the unique truth of well being for yourself your team and organization This book is a breath of fresh air that isn't about chasing perfection or some unrealistic ideal it's about embracing what is genuinely possible It's about the attainable dream of a work life well lived for all *Bankable Leadership* Tasha Eurich, 2013-10-01 People or Results You Don't Have to Choose **The Power of Virtual Distance** Karen Sobel Lojeski, Richard R. Reilly, 2020-04-06 This revised second edition presents 15 years of data on Virtual Distance metrics and their predictive impact on organizational success factors shedding new light on how to correct for communication challenges that often show up as a foggy set of digital disconnects where the vitality of the virtual workforce often gets lost in transmission This still evolving Digital Age conundrum continues to present new complications The rise of remote work which rests on an increasing reliance on electronic communication and the overall growth of virtual interactions has led to the escalation of a phenomenon called Virtual Distance Virtual Distance which influences our behavior through three components Physical Distance Operational Distance and Affinity Distance affects not only how we relate to others thousands of miles away but even to co workers sitting right next to each other Perhaps even more problematic Virtual Distance causes measureable malfunctions in teamwork innovation leader

effectiveness and overall performance But it doesn't have to be this way The Power of Virtual Distance offers specific proven and predictable solutions that can reverse these trends and turn Virtual Distance into a unification strategy to capture untapped competitive advantage Surprised The Power of Virtual Distance 2nd Edition is a must read for leadership who want to understand the true and quantifiable costs of the virtual workplace For the first time ever readers can take the guesswork out of managing the virtual workforce by applying a mathematical approach derived from the extensive Virtual Distance data set The Virtual Distance Ratio The Virtual Distance Ratio can precisely pinpoint the particular impacts of Virtual Distance on the organization's critical success factors Beyond business metrics Virtual Distance solutions also detail ways to restore meaningfulness and well being into people's experience of work enhancing life lived in the Digital Age The Power of Virtual Distance reveals an updated set of data including the first award winning analysis collected from an extended range of executives to individual contributors that represent situations and solutions in more than 36 industries in 55 countries across the globe Readers will get a first look at the data and its revelations on how to be less isolated and more integrated Helping managers globally this book Offers new real world case studies and a chance for readers to participate in thought experiments to help with personal performance group synergy and by extension relationship dynamics of all kinds Demonstrates with statistically significant trend analyses that Virtual Distance is growing at exponential rates in every corner of communities worldwide Offers expert advice on how to manage the unintended human consequences of today's digital technologies Companies that successfully harness the power of Virtual Distance demonstrate better performance The second edition of The Power of Virtual Distance is a valuable one of a kind resource for everyone from the C suite to human resource professionals from divisional leaders to project managers Everyone in the organization can benefit by discovering how to improve financials innovation trust employee engagement satisfaction organizational citizenship and other key performance indicators And perhaps best of all by following the prescriptions on how to reduce Virtual Distance the entire workforce will have the tools they need to bring about a revival of meaning purpose and an enlivened sense of humanhood back into everyday work and everyday life

Communication and Cooperation in Teams - virtual vs. face-to-face

Michael Korff, 2007-01-17 Seminar paper from the year 2005 in the subject Leadership and Human Resources Miscellaneous grade 2.0 University of Applied Management Fachbereich Betriebswirtschaft course Communication and Cooperation language English abstract The growing significance of computer and internet as a work and communication medium can observe increasing tendencies of decentralization mobilization and mechanization of our work That means the interest in virtual cooperation rises strongly in many enterprises This kind of labour organization offers the possibility of concentrating the knowledge of different co workers and or external specialists also over long distances over countries or even continental borders in a team However the unification of specialist and expert knowledge is made possible by the use of suitable information and communication technologies only With these aids this knowledge is apparently callable without any larger

temporal delay That brings substantial cost advantages by a shortened achievement completion and decreased travel times and costs and makes a contribution in such a way through cost optimization to the receipt and for the increase of competitive ability In order to be able to ensure efficient working in virtual teams at all a set of basic conditions must be considered Substantial factors apart organization of work and used instruments are humans involved in that process especially their communication and cooperation behaviour This essay will briefly examine what kind of differences in communication and cooperation exist between a virtual and a conventional face to face team
