As Public as Possible David I. Backer, 2025-12-02 A witty and provocative treatise on the financial policies we ll need to make our public schools work for all children From the anti CRT panic to efforts to divert tax dollars to charter schools the right wing attack on education has cut deep In response millions of Americans have rallied to defend their cherished public schools But this incisive book asks whether choosing between our embattled status quo and the stingy privatized vision of the right is the only path forward In *As Public as Possible* education expert David I Backer argues for going on the offensive by radically expanding the very notion of the public in our public schools Helping us to imagine a more just and equitable future *As Public as Possible* proposes a concrete set of financial policies aimed at providing a high quality and truly public education for all Americans regardless of wealth and race With witty and provocative prose Backer shows how we can decouple school funding from property tax revenue evening out inequalities across districts by distributing resources according to need He argues for direct federal grants instead of the predations of municipal debt markets And he offers eye opening examples spanning the past and present from the former Yugoslavia to contemporary Philadelphia which help us to imagine a radically different way of financing the education of all of our children

Sonic Rebellions Wanda Canton, 2024-04-29 *Sonic Rebellions* combines theory and practice to consider contemporary uses of sound in the context of politics philosophy and protest by exploring the relationship between sound and social justice with particular attention to sonic methodologies not necessarily conceptualised or practiced in traditional understandings of activism An edited collection written by artists academics and activists many of the authors have multidimensional experiences as practitioners themselves and readers will benefit from never before published doctoral and community projects and innovative audio based interpretations of social issues today Chapters cover the use of soundscapes rap theatre social media protest and song in application to contemporary socio political issues such as gentrification neoliberalism criminalisation democracy and migrant rights *Sonic Rebellions* looks to encourage readers to become or consider how they are Sonic Rebels themselves by developing their own practices

and reflections in tandem to continue the conversation as to how sound permeates our sociopolitical lives This is an essential resource for those interested in how sound can change the world including undergraduates and postgraduates from across the social sciences and humanities scholars and instructors of sound studies and sound production as well as activists artists and community organisers

Strategic Sustainability Daniel Fogel, 2016-03-22 Strategic Sustainability examines how organizations can implement environmental sustainability science theories and ways of thinking to become more competitive Including examples and ideas implemented in various countries it is based on known scientific principles about the natural world and organizational principles focusing on the work domain The intersection of these two realms of research creates a powerful and new approach to comprehensive seemingly contradictory issues Daniel S Fogel draws from disparate fields and creates a story about organizations their future and how people are part of the problem and more importantly part of the solution Readers will find ways to take action to improve organizations and avoid denigrating our natural environment learning to be mindful of the urgency we should feel to improve our impact on the world The focus on the natural environment provides a powerful focus for creating value in organizations and addressing the major challenges we all face Advanced sustainability students working professionals and board members managers and legislators responsible for governing organizations or implementing public policy will find this book useful A companion website features an instructor's manual with test questions as well as 38 10 minute videos for classroom use
