Personal Brand On LinkedIn Ideas For Dads:

Personal Brand Management Talaya Waller, 2020-04-15 This book is the definitive resource for understanding the phenomena and process of personal brand management as it becomes increasingly valued in a global economy By providing a research based theoretical framework the author distills the concept of personal branding as it is applicable to individuals throughout all stages of career development as well as across industries and disciplines Extensively researched with numerous case studies this book clearly outlines the strategic process of evaluating the economic value of a personal brand to manage and scale it accordingly The author an expert in the field of personal brand strategy and management argues that a business is what a person or organization does but the brand is what people expect from that person or organization The two must align and the book s conceptual framework explains the theory and practice behind personal branding to accomplish this synergism The consequence of the digital age is unprecedented visibility for individuals and businesses As they engage with one another in more and more virtual spaces the need for understanding and managing the evolving complexity of this personal engagement is an economic reality For this reason the framework in this title provides insight and perspective on all phases of a brand in its recursive life cycle both on and offline By providing clarity and structure to the topic as well as practical theory for its application this title is the ultimate primer on personal branding in theory and practice

4-Gen Leadership Mark White, Sami Scarpitti, 2024-12-06 4 Gen Leadership Thriving in a Multi Generational Workplace is a practical guide for those aspiring to be multi generational leaders in today s evolving business landscape 4 gen leadership is the philosophy and actions leaders can take to help all generations baby boomers Gen X millennials and Gen Z be accepted honored and united into one effective harmonious team The authors have created a resource that leaders across every industry at all levels of leadership will find useful This book helps established and emerging leaders understand the generations in their workforce and how to bridge the new generation gaps in their organizations Each chapter contains reflective questions to help the readers apply the book s concepts to their work environment a section titled Voices from the Generations which shares insightful views from one of the many successful leaders interviewed for the project a Real World Connection segment which is a scenario in which the readers see how a hypothetical problem might be solved by using a multi gen leadership lens and finally an activity worksheet that points readers toward the next steps they can take to strengthen their multi gen leadership skills and the culture

Critical Perspectives on Leadership Mark Learmonth, Kevin Morrell, 2019-05-01 Within contemporary culture leadership is seen in ways that appeal to celebrated societal values and norms As a result it is becoming difficult to use the language of leadership without at the same time assuming its essentially positive intrinsically affirmative nature Within organizations routinely referring to bosses as leaders has therefore become both a symptom and a cause of a deep largely unexamined new conceptual architecture This architecture underpins how we think about authority and power at work Capitalism and its turbo charged offspring neo liberalism have effectively captured

leader and leadership to serve their own purposes In other words organizational leadership today is so often a particular kind of insidious conservatism dressed up in radical adjectives This book makes visible the work that the language of leadership does in perpetuating fictions that are useful for bosses of work organizations We do this so that we and anyone who shares similar discomforts can make a start in unravelling the fiction We contend that even if our views are contrary to the vast and powerful leadership industry our basic arguments rest on things that are plain and evident for all to see Critical Perspectives on Leadership The Language of Corporate Power will be key reading for students academics and practitioners in the disciplines of Leadership Organizational Studies Critical Management Studies Sociology and the related disciplines
