*Digital Nomads Living on the Margins* Beverly Yuen Thompson, 2021-06-11 In this increasingly neoliberal gig economy exponentially expanding with technological advances the ability to work online remotely has led some western millennials to travel the world to work and play while making a subsistence living as digital platform workers Higher Education in

Small Islands Rosie Alexander, Holly Henderson, 2024-04-25 This collection pinpoints the intersecting concerns of higher education studies and island studies It argues for the value of the small island for exploring research and practice in higher education Presenting analysis of higher education provision in a range of island contexts from across the globe the book explores the challenges and opportunities of small island higher education and sheds light on the practices and experiences of those involved It also demonstrates how the small island offers a valuable context from which to explore the scalar dynamics of higher education provision more widely and how these contexts can disrupt normative discourses

understandings and practices in education policy curricula and experiences **Developing Culturally Responsive Curriculum in Higher Education** Rantz, Rick, McNulty, LeeAnne, 2025-06-18 In an interconnected world developing culturally responsive curriculum in higher education fosters inclusive learning environments and prepares students to thrive in global contexts Culturally responsive curriculum actively incorporates diverse perspectives histories and context into content pedagogy and assessments By acknowledging and valuing cultural backgrounds educators can promote equity enhance student engagement and challenge systemic biases within academic institutions As higher education evolves integrating culturally responsive practices affects social justice and makes critical steps toward academic excellence and meaningful student success *Developing Culturally Responsive Curriculum in Higher Education* explores culturally responsive curriculum CRC in higher education It offers a deep analysis of the theoretical foundations practical applications and transformative potential of CRC This book covers topics such as social justice gender and diversity and inclusive education and is a useful resource for educators sociologists academicians researchers and scientists **International Migration**

**Outlook 2022** OECD, 2022-10-10 The 2022 edition of *International Migration Outlook* analyses recent developments in migration movements and the labour market inclusion of immigrants in OECD countries It also monitors recent policy changes in migration governance and integration in OECD countries *Digital Nomad Nation: The Rise of a Borderless Generation* Carlos Grider, 2025-01-17 What if the next great nation had no borders no government and no fixed land just a shared identity and a global movement In *Digital Nomad Nation* Carlos Grider explores how millions are unknowingly creating the first digital country without borders governments or fixed territories one that exists entirely online yet spans the globe Today over 35 million digital nomads live work and move freely across borders creating a decentralized nation unlike anything the world has seen These modern pioneers are shattering traditional ideas of work life and statehood forming the first digital country in history without even realizing it But how did this happen And what does it mean for the future of work

travel and global society This groundbreaking investigation explores how millions are leaving traditional careers behind to design their dream lives on their own terms Blending sociological analysis travel memoir and cultural exploration Grider reveals The 1997 prophecy that predicted the rise of digital nomads How technology globalization and remote work are fueling the movement Why digital nomads function like citizens of a decentralized country The real impact of digital nomadism on economies businesses and governments What the future holds for the borderless generation Why Read Digital Nomad Nation To discover understand and join a revolutionary movement Discover how you can be part of this revolutionary movement how businesses can adapt and what the future of work holds for the next generation of global citizens If you re a digital nomad remote worker or location independent entrepreneur this book reveals the bigger movement you re part of If you re fascinated by sociology cultural shifts and the future of work this is a must read If you re a policymaker business leader or researcher this book unveils the hidden forces shaping the workforce of the future Carlos Grider a global business strategist former management consultant and intelligence specialist draws from 7 years 60 countries and 100s of interviews to craft a captivating and authoritative exploration of modern nomadism Digital Nomad Nation is to the future of work what Malcolm Gladwell s Outliers was to success an eye opening look at a movement transforming the world in not just how we work but how we live and connect across borders Start reading today to join the Digital Nomad Nation and discover how you can be part of this global revolution Topics digital nomadism remote work future of work location independence and digital nation Genres Sociology of the Future of Work Digital Nomad Lifestyle Remote Work Global Movement and Location Independence     [Rebooting a Nation](#) Joel Burke,2025-04-03 How did a small post Soviet state become a digital and e government powerhouse producing world leading tech companies and pioneering policies for remote residency Three decades after gaining independence from the Soviet Union Estonia is a nation transformed Today the country is known worldwide as a startup hub boasting billion dollar companies including Wise Veriff and Bolt but even more impressive are Tallinn s pioneering efforts in e government With 99 per cent of government services digitalised and accessible online citizens can vote via computer or file their taxes online in minutes and Estonia s use of artificial intelligence to enhance and automate its offering to citizens long predates ChatGPT Drawing on his experience as a former official for the Republic of Estonia Joel Burke offers unique insight into the country s rapid rise as a tech and e government powerhouse since the turn of the century From the founding of Skype to the future of the e state he unveils the tactics and stories behind Estonia s spectacular journey after years of Soviet occupation and mismanagement to global tech leadership For those hoping to learn from Estonia s incredible journey Burke offers insights into the government s use of AI its creation of a digital society and its cultivation of a culture driving public sector creativity and innovation Rebooting a Nation is an informative and entertaining masterclass in Estonia s modern history     [Precarity and the Development of Research Careers in Academia](#) David Cairns,2025-11-19 Precarity is a concern that affects researchers in academia across the world Despite being experienced

and highly qualified many endure working conditions more traditionally associated with people lacking skills and credentials This book explores this perverse situation focusing on Portugal with a view to explaining how precarity starts and then continues for the entire duration of a research career Using 100 interviews conducted with researchers from across Portugal in 2022 2023 covering a wide range of scientific fields the book gives these people the opportunity to explain why they became researchers and how they have coped with precarity during the early career stages and at intermediate and advanced levels As a sociological study the book draws on the theoretical concepts of ambivalence liminality and cruel optimism to help map the parameters of precarity while the evidence demonstrates its often visceral personal and professional impacts reaching the conclusion that believing research needs to be a precarious profession must be challenged within higher education institutions and at policy level
