How To Get Into Personal Brand On LinkedIn For Busy Professionals:

I'm on LinkedIn, Now What??? Jason Alba, 2011 I'm on LinkedIn Now What Third Edition is a book designed to help you get the most out of this popular business networking site. This new edition follows the best-selling first edition and includes the latest and great approaches for using LinkedIn. With over 100 million members, there is a lot of potential to find and develop relationships to help in your business and personal life, but many professionals find themselves wondering what to do once they sign up. This book explains the different benefits of the system and recommends best practices so that you can get the most out of LinkedIn. How to Get Your Ideal Job: Using LinkedIn, Social Media and the Internet Tim Kitchen, Nigel

James, 2012-07-26 An entirely new approach to attracting your ideal job by promoting yourself online, certified as stunningly effective by recruiters and job candidates alike. The notion of the Career has changed dramatically over the past decade. Today's workforce changes jobs more often than ever before, and the idea of designing your own career and planning your next move is more appealing in a world where employers can no longer be relied on to provide lifelong employment. In this new environment, a new set of skills is required. To thrive in the current career climate, successful candidates need to develop the ability to market themselves effectively to potential employers and others in their industries. Position themselves and their skills in the best light. Network online and offline to identify new opportunities before they reach the rest of the market.

I'm on LinkedIn--Now What??? (Fourth Edition) Jason Alba, 2014-03-11 I'm on LinkedIn Now What Fourth Edition is regularly referred to as the bible on LinkedIn because it was one of the first LinkedIn books in print. At the present time, it is the only LinkedIn book in the fourth edition. This LinkedIn book is designed to help you get the most out of LinkedIn, which has become the most popular business networking site. It is one of the big three in the social networking space, along with Facebook and Twitter. This new edition focuses on strategies and tactics to help you understand what LinkedIn is and how it fits into your online marketing strategy, whether it is a personal marketing strategy or a business corporate marketing strategy. The tactics are practical, realistic, and respectful of your busy schedule. This LinkedIn book is a favorite resource of career coaches, marketing directors, social marketing consultants, and others who regularly use LinkedIn to reach customers, find important contacts, and communicate with them, increase their brand recognition, and help others learn more about them. The strategies and tactics are explained with clear instructions that should last through new changes in LinkedIn, since they are principle-based. Use LinkedIn to find and develop relationships which can help in your business and personal life. If you are wondering how to use LinkedIn or if you are not getting as much value as you can out of LinkedIn, this is your resource.
