sales organisation is a challenge for many businesses and it's easy to waste resources on ineffective approaches. Many MBA and executive education programmes do not cover sales management in any depth. Filling this knowledge gap, this guide will help readers to create their own unique high performing sales organisation that fits their product and market environment. Evidence based and field tested, it will give answers to critical questions including: Which sales process should we use? How do we recruit, retain and inspire our sales team? What should we measure and how should we manage it? What do great sales managers do? Rich with case studies from the author's 25 years of sales consulting experience, this book will appeal to a wide variety of managers and entrepreneurs who wrestle with the question: How do I grow my business from sales directors to start up founders to MBA students.
