No Bs Work From Home Jobs For Beginners For Dads:

A Stay-At-Home Dad Vs. the Bible Trevor Catlaster, 2021-06-02 I was an egalitarian Christian stay at home dad caring for six children during my 20 year marriage However my in laws marriage counselors and church pastors were all complementarian Their counsel to my wife and I was that I had sinned against God for not being the breadwinner of the family This led to a grievous divorce Therefore I was inspired to research how the Bible was used to destroy families and communities from colonial America to the present day I also discuss the pushback that resulted from such biblical interpretation including and especially the rise of feminism Since it was an interpretation of the Bible that led to the dissolution of my marriage the institution of biblical marriage is also scrutinized especially in the context of divorce Stay at home dads should have the Christian right to be caregivers of their children if they choose to do so without being threatened with divorce *Single Fathers* Geoffrey L.
