As Public as Possible David I. Backer, 2025-12-02 A witty and provocative treatise on the financial policies we'll need to make our public schools work for all children From the anti CRT panic to efforts to divert tax dollars to charter schools the right wing attack on education has cut deep In response millions of Americans have rallied to defend their cherished public schools But this incisive book asks whether choosing between our embattled status quo and the stingy privatized vision of the right is the only path forward In *As Public as Possible* education expert David I Backer argues for going on the offensive by radically expanding the very notion of the public in our public schools Helping us to imagine a more just and equitable future *As Public as Possible*

proposes a concrete set of financial policies aimed at providing a high quality and truly public education for all Americans regardless of wealth and race With witty and provocative prose Backer shows how we can decouple school funding from property tax revenue evening out inequalities across districts by distributing resources according to need He argues for direct federal grants instead of the predations of municipal debt markets And he offers eye opening examples spanning the past and present from the former Yugoslavia to contemporary Philadelphia which help us to imagine a radically different way of financing the education of all of our children **Marketing** Gary M.
