Where do ideas like Pokemon or Harry Potter come from? How do hit artists like Charlie XCX happen? How are stars like MrBeast created? How are high-value entrepreneurial exits created? *Entrepreneurship in Media and Entertainment: Hits and Value Creation* is the detailed global go-to guide to the journey of a startup in the fast-evolving global creative industries. Written by Oxford academic and media entrepreneur Alex Connock, the book spans the lifetime of an entrepreneurial venture through seven key stages and value drivers: startup ideas, talent, technology, engagement, scaleup, and exit. Covering entertainment in video games, TV, film, streaming, the creator economy, music, publishing, advertising, live entertainment, theatre, and VR/AR, this book has a truly global reach with cases from Nigeria to Ghana, South Africa, Saudi Arabia, India, China, Japan, Indonesia, Malaysia, South Korea, Australia, Vietnam, Brazil, and Mexico, as well as Europe, the UK, and the US. The impact of artificial intelligence is embedded throughout, from Generative AI and copyright to content and collaborative filtering in AI-powered streaming. Filled with examples, the book dives deep into the careers of stars, the genesis of hits, the power of creators, and the best thinking on ideas generation. Theoretical concepts are leveraged to analyze startup creation and engagement, along with practical valuation techniques throughout the entrepreneurial journey. An up-to-date, academically informed global guide, this book is part of a trilogy that represents essential reading for students, scholars, and reflective practitioners of media management, building on earlier titles on AI and live experience. *Instagram Marketing Advertising* Robert Grow, 2020-10-16

At first, some people get into Instagram to socialize and for fun. Anyway, it is a better way to share some of your personal photos and perhaps show off. In addition, Instagram can be used for an effective and fruitful marketing strategy. Most of the people on Instagram are unaware that you can make their business more visible. However, this becomes better when you have clearly identified your niche. Most of the prevalent niches are fashion, health and fitness, travel and tourism, and beauty. It should not be an issue if your business does not fall under any of these niches. Start by evaluating the most appropriate niche for your business, which makes you unique. There is an Instagram niche for everyone, whether you are a succulent grower, food blogger, nature lover, or a travel marketer. You just need to find your niche and stick to it. Doing this may not be easy; take time deliberating the best choice. It also requires accuracy and patience. For effective Instagram marketing, you must be sure that the content you share through Instagram will reflect the values that you represent as a brand. Being genuine can help you resonate well with your target audience. You should be flexible without compromising your business goals. Even though the strategies and tactics described in this book are proven effective, you must still be open to experimenting to see which can really bring results. You should always be mindful of your Instagram activities. While you can outsource the job, it is still your

responsibility to make sure that your posts are beneficial to your brand and your activities can bring results Be on top of your online activities as it can make or break your business This guide will focus on the following Why use Instagram How Instagram works the different functionalities How to make a great Instagram account How to make money from Instagram page Why content needs to be effective Building a personal brand in 2019 How to do lead magnet on Instagram like a pro Creating an effective marketing strategy Why Instagram for social marketing Best apps to use to market your brand on Instagram Building value and setting up your account for success Common mistakes to avoid when marketing on Instagram The best tips for growing your Instagram business account AND MORE
