**Influencer** Brittany Hennessy, 2018-07-31 I highly advise anyone who has an interest in life online to get this book. Sit down and take notes because you're going to want to hear what Brittany has to say. Iskra Lawrence, Aerie Model and Instagram star Iskra. If you've ever scrolled through your Instagram feed and thought "I wear clothes, eat avocado toast and like sunsets, why can't someone pay me to live my best life?" this book is for you. Every one of your favorite influencers started with zero followers and had to make a lot of mistakes to get where they are today, earning more money each year than their parents made in the last decade. But to become a top creator you need to understand the strategies behind the Insta-ready lifestyle. As nightlife blogger then social media strategist and now Senior Director of Influencer Strategy and Talent Partnerships at Hearst Magazines Digital Media, Brittany Hennessy has seen the role of influencers evolve and expand into something that few could have imagined when social media first emerged. She has unrivaled insight into where the branded content industry was, where it is, and where it's going. In this book she'll reveal how to build an audience and keep them engaged. Package your brand and pitch your favorite companies. Monetize your influence and figure out how much to charge. Plus tips on landing an agent, getting on the radar of your favorite sites, praising a brand without alienating their competitors. Whether you're just starting out or you're ready for bigger campaigns, Hennessy guides you through core influencer principles. From creating content worth double tapping and using hashtags to get discovered to understanding FTC

**Creating A Personal Brand** Tamesha Bournes,2021-06-22 Personal branding is the practice of marketing people and their careers as brands It is an ongoing process of developing and maintaining a reputation and impression of an individual group or organization This book also unveils the dodgy dealings and the desperate moves made by the rich and the celebrities in their attempt to remain relevant This book will open your eyes to see the immense wealth lying untapped around you and how to maximize your brand image and use it to build a huge online presence while you tap into this new generation of wealth accumulation Online Personal Brand Ryan M. Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap
