Youth, Faith, and Artificial Intelligence Zaremohzzabieh, Zeinab, Abdullah, Rusli, Al-Issa, Riyadh Salim, Ahrari, Seyedali, 2025-08-29 As AI continues to reshape society its intersection with the younger generation and faith has presented opportunities and ethical questions For the youth navigating their beliefs and identity has become increasingly difficult in this modern world AI can serve as a tool and a hindrance to spiritual exploration and a challenge to traditional values Faith communities in turn are grappling with how to engage youth meaningfully in an era shaped by algorithms virtual interactions and machine learning Youth Faith and Artificial Intelligence explores the rapid advancement of AI and its impact on the way we interact with the youth This book examines how theological perspectives can help youth navigate the complexities of an AI driven society Covering topics such as AI youth and engagement this book is an excellent resource for sociologists researchers academicians educators and more *Implementation mapping for selecting, adapting and developing implementation strategies* Maria E. Fernandez, Byron J. Powell, Gill Ten Hoor, 2023-11-07 **Youth Activism in Environmental Politics, 2nd Edition** Matt Henn, Sarah Pickard, 2023-02-02 Recently important new research has emerged to explain the large intergenerational cleavages in values and political preferences in many contemporary societies In most established democracies and many newer democracies young people are more likely to possess progressive values and are much more cosmopolitan in their outlook socially liberal accepting of cultural diversity and outward looking than older generations They tend to reject mainstream electoral politics and authoritarian nationalist forms of populism in favour of alternative progressive political parties and movements Indeed there is burgeoning evidence of a global tendency towards young people s support for and participation in new styles of non institutionalised political action that seem to better fit their life styles and to permit the actualisation of their political aspirations Although there is a considerable body of existing literature that examines the rise of such values and political participation preferences there is little work that focuses on the relationship with the prioritisation of environmental issues and environmental activism as evidenced in the September 2019 global climate strikes The goal of the current Research Topic is to explore the contemporary realities and patterns of youth participation in environmental politics in different societies As such we welcome manuscripts of original research and conceptualization that address the different practices of youth as they seek to effect environmental change and also their motivations for doing so Contributions are welcome from scholars youth practitioners and activists operating in a range of different settings and using diverse disciplinary and multidisciplinary and interdisciplinary perspectives Resources in Education ,1993-10 Treatment Program Evaluation Allyson Kelley, 2022-06-01 This invaluable text provides a rigorous guide to the assessment and evaluation of treatment programs through a multi disciplinary holistic model of care It highlights issues of race social justice and health equity and offers real world guidance to effect community healing and transformation Written by a researcher and experienced evaluator the book begins by outlining the theories and research

which frame our understanding of substance misuse and upon which treatment programs are based It then examines the principles which should underpin any evaluation before detailing the practical various steps required to conduct an evaluation from data collection to outcome measurement The book shows too through detailed and effective evaluation policy changes can be made and treatment programs improved Including practical examples of evaluation and assessment throughout and also assessing the numerous social systems which can support recovery the book builds to a four step public health model for establishing sustainable treatment programs In an era where substance misuse has reached epidemic proportions in the United States and beyond this book will be essential reading for anyone involved in public health policy and practice in this important area [AI for Life](#) Celia Quillian,2025-01-28 Demystify the world of artificial intelligence with this groundbreaking guide featuring over 100 innovative ways to incorporate AI into your daily life Every day it seems like there s a new AI tool on the market and a new complicated way to use it But what if you could use AI to make your life easier without the complications In *AI for Life* AI expert and creator of SmartWorkAI offers over 100 ideas and ready to use prompts to get AI beginners started using the technology to actually improve their lives Beginning with a primer on the basics including an overview of the popular and free AI tools you will learn expert tested tips and tricks to get the most out of your AI use such as layering prompts to dive deeper into an initial response or asking for the output in different formats Packed with practical how to information *AI for Life* is the must have guide for using generative AI to make life easier more productive more organized and more fun [Library of Congress Catalog](#) Library of Congress,1971 **Proceedings of The 11th European Conference on Social Media** Susana Pinto,2025-06 The European Conference on Social Media ECSM is a well established academic conference held annually for over a decade with a focus on advancing research and dialogue around social media The primary aim of ECSM is to provide a platform for scholars researchers practitioners and industry professionals to share and discuss their findings on the multifaceted impacts of social media The conference emphasises the importance of understanding how social media influences various sectors including society education business and governance [Catalog of Copyright Entries.
