She knows she shouldn't be thinking about love when there's a crime scene outside the door. But ignoring her attraction to gorgeous Crispin is easier said than done. When Crispin realizes that a rogue is involved, he knows this won't be a simple investigation. Especially because he's so distracted by Abril's presence that all he wants is to kiss her senseless in every room of the manor. She's a computer scientist used to being in control. The E.M.M.A. her elite AI training program claims optimizing his performance requires one thing: the perfect match. According to its calculations, that's her. Will Harriet discover that The E.M.M.A. knows best? Harriet Smythe's AI was supposed to create sports legends, not encourage her crush on her best friend's totally off-limits hot younger brother. But when funding runs dry, she has no choice but to enlist Gale Knight as her test subject. The same Gale she's been secretly crushing on for years. The player who follows her every instruction with a knowing smirk that threatens to short-circuit her carefully maintained system. Everything changes when The E.M.M.A. determines that finding Gale's perfect match is essential to his peak performance. Even worse, according to its data, that match is Harriet. Determined to keep things professional, Harriet makes it search for new candidates. But as Gale dutifully endures awkward outings with pop stars and athletes, the chemistry between them only intensifies. And his willing cooperation during their sessions definitely isn't helping her stay focused. With her deadline approaching and The E.M.M.A. still playing cupid, Harriet must choose: trust in pure logic or admit that sometimes taking control means letting go. Maybe The E.M.M.A. knows something they don't, even if they're not ready to compute it yet.

This Much Is True Vivienne Lorret, 2025-07-01 USA Today bestselling author Vivienne Lorret returns with the third book in her Liars Club series with a sexy and hilarious romance about a thrill-seeking debutante and a highwayman who is more than he seems on the surface. Althea Hartley has lost her spark. As the youngest daughter of an eccentric family, playwrighting is in her blood. But two failed seasons have left her disenchanted. In desperate need of inspiration, she takes matters into her own hands by creating a tale of a dashing highwayman. What could possibly go wrong? But her stories prove to be a little too true for the actual highwayman living beneath the tons: Jasper Trueblood, Viscount St. James, needs to put an end to the bewitching Miss Hartley's incriminating tales. Society can never suspect that he isn't the clumsy oaf he pretends to be. Or that under the cover of darkness, he greets scoundrels and lightens their purses. Not too much. Just enough to keep those closest to him safe from his menacing uncle. Then sparks fly when this unlikely pair meets one perfect night. And while she is eager to unmask him, he is determined to stay hidden. But there's no denying the chemistry that neither of them are able to resist. The only thing for certain is that Thea needs to guard her heart before the highwayman steals it.
