century proposing a new image of the German Enlightenment The German edition of this book was awarded the prestigious Geisteswissenschaften international prize *The Medieval Manichee* Steven Runciman,1961 Traces the history of the Dualist Tradition in Christianity from its Gnostic beginnings to its final florescence in the later Middle Ages **The Renaissance (1500-1600) by T. Collected by Henry Huth* Henry Huth,1911 **The Spectator** ,1929 *Demonology* James I (King of England),James of England,2009-03-07 King James work on Demonology and witchcraft In the form of a dialogue divided into three books A Historically important work to understand this tumultuous period of witch burnings **Early Modern European Witchcraft** Bengt Ankarloo,Gustav Henningsen,1990 The history of witchcraft and sorcery has attracted a great deal of interest and debate but until now studies have been largely from the Anglo Saxon perspective This book shows how that approach has blurred our understanding and definition of the issues involved and taking into account major new developments in the historiography of witchcraft aims to end the Anglo Saxon monopoly on witchcraft studies **Pentecostalism, Catholicism, and the Spirit in the World** Stan Chu Ilo,2019-10-17 This volume s essays are an ecumenical ensemble of the best scholars and leading practitioners in the Pentecostal and Charismatic movements from all four corners of the world The contributors bring together various denominational perspectives and dialogue for understanding the present momentum of these Spirit movements in the world
