The Dalai Lama's Special Envoy Lodi Gyaltsen

Gyari, 2022-11-15 Lodi Gyaltsen Gyari spent decades drawing attention to the plight of the Tibetan people and striving for resolution of the Tibetan Chinese conflict. He was the Dalai Lama's Special Envoy and chief negotiator with the People's Republic of China in the formal negotiations over the status of Tibet. In this revealing memoir, Gyari chronicles his lifetime of service to the Dalai Lama and the Tibetan cause. Gyari recounts his work conducting formal dialogue with the Chinese leadership from 2002 to 2012, as well as his efforts during the many years of quiet diplomacy preceding these historic negotiations. He details the fits and starts of the parties' relationship, addressing successes as well as failures and highlighting misperceptions, missteps, and missed opportunities by both sides. Gyari grounds his recollections of his time as Special Envoy in his life experience, providing a powerful account of the personal side of Tibet's struggles. He describes the Tibetan resistance to the Chinese invasion and the tumultuous early years of the Tibetan community in exile, as well as his family's history and spiritual lineage. A reincarnated Tibetan Buddhist lama, forced to flee Tibet during the Chinese invasion, Gyari illuminates how his political efforts fulfilled his spiritual calling. Informed by his unparalleled experiences, Gyari offers realizable but provocative recommendations for restarting the Tibetan Chinese dialogue to achieve a mutually beneficial resolution of the issue. For all readers interested in Tibet's complex modern history, this book offers an incomparable look inside the decades-long effort to achieve the Dalai Lama's vision of a reunited Tibet. *Heaven on Earth* Joshua

Muravchik, 2019-04-02 Socialism was man's most ambitious attempt to supplant religion with a doctrine claiming to ground itself in science. Each failure to create societies of abundance or give birth to the New Man inspired more searching for the path to the promised land: revolution, communes, social democracy, communism, fascism, Arab socialism, African socialism. None worked, and some exacted a staggering human toll. Then, after two centuries of wishful thinking and bitter disappointment, socialism imploded in a *fin de siècle* drama of falling walls and collapsing regimes. It was an astonishing denouement, but what followed was no less astonishing. After the hiatus of a couple of decades, new voices were raised as if innocent of all that had come before, proposing to try it all over again. Joshua Muravchik traces the pursuit of this phantasm, presenting sketches of the thinkers and leaders who developed the theory, led it to power, and presided over its collapse, as well as those who are trying to revive it today. *Heaven on Earth* is a story filled with character and event, while at the same time giving us an epic chronicle of a movement that tried to turn the world upside down and for a time succeeded. *Beijing Review*, 2000
