The Illustrated Denniston Rose and Heart of Coal Jenny Patrick, 2006-11 The compelling story of Rose in the best selling Denniston novels has drawn thousands of people to explore the abandoned settlement on the South Island's remote West Coast The original inhabitants braved a 2000 feet high and terrifyingly steep incline a severe climate and scarce resources to eke out a living from the seams of coal on the Hill Their unique lifestyle has been brought alive in DENNISTON ROSE and HEART OF COAL It has also been documented in the rich collections of historic photographs and artefacts of the place and

its people collected here to illustrate these two moving and vivid novels They take us from the 1880s as the young Rose struggles to find a place for herself amongst the tough makeshift community on the high plateau and through into the twentieth century as Rose blossoms into adulthood and is torn between her love affairs with two men and the bleak landscape of Denniston In this illustrated novel the raw truth of the photographic past illuminates the reader's own imagination In addition images of past times are paired with those of today to highlight the change from crowded settlements to ghost town

Heart of Coal Jenny Pattrick, 2010-05-01 A compelling sequel to the best selling novel *The Denniston Rose* Eighteen years have passed since the child Rose arrived on Denniston riding up the terrifying Incline on a stormy night She has now grown into a young woman intelligent and talented with an outrageous zest for life The trauma of her early years seems forgotten though some recognise its shadow in her often unconventional behaviour Rose is expected to marry her childhood friend the golden Michael Hanratty but when dark and stubborn Brennan Scobie arrives back on the Hill after a seven year absence a challenge is inevitable The opposition of Brennan's ambitious mother adds to the tension This sequel to the best selling *The Denniston Rose* continues to follow the fortunes of the remote West Coast coal mining settlement At the turn of the century Denniston is still isolated but all that is about to change New challenges will confront both Rose and this close knit society Staying or leaving will become an option *Heart of Coal* is about loss and love hope and despair It is a story of convention and the lack of it and of the uncompromising spirit of a unique woman *Denniston Rose* Jenny Pattrick (1936- author), 2003
