Deny All Knowledge Reading The X Files

Lynn Spigel, Jan Olsson

Deny All Knowledge Reading The X Files:

Deny All Knowledge David Lavery,Angela Hague,Marla Cartwright,1996-12-01 The X Files was one of the most subversive and longest running science fiction series in US television history Yet very little serious work has been done to examine the hit series Deny All Knowledge examines topics such as Why is the series such a hit worldwide Why is The X Files so popular online generating dozens of websites and chat groups daily How does The X Files Conspiracy Theory compares to shows from the 1950s Can The X Files be considered a modern day myth What does The X Files tell us about gender roles today

The Female Investigator in Literature, Film, and Popular Culture Lisa M. Dresner,2006-12-11 In this book the author examines how women detectives are portrayed in film in literature and on TV Chapters examine the portrayal of female investigators in each of these four genres the Gothic novel the lesbian detective novel television and film **Policing**

the Monstrous Ashley Szanter,2021-01-11 This collection of new essays examines how the injection of supernatural creatures and mythologies transformed the hugely popular crime procedural television genre These shows complicate the predictable and comforting patterns of the procedural with the inherently unknowable nature of the supernatural From Sherlock to Supernatural essays cover a range of topics including the gothic the post structural nature of The X Files the uncanny lure of Twin Peaks trickster detectives forensic fairy tales the allure of the vampire detective and even the devil himself

The Eternal Future of the 1950s Dennis R. Cutchins,Dennis R. Perry,2023-07-17 Science fiction cinema once relegated to the undervalued B movie slot has become one of the dominant film genres of the 21st century with Hollywood alone producing more than 400 science fiction films annually Many of these owe a great deal of their success to the films of one defining decade the 1950s Essays in this book explore how classic 50s science fiction films have been recycled repurposed and reused in the decades since their release Tropes from Don Siegel s Invasion of the Body Snatchers 1956 for instance have found surprising new life in Netflix s wildly popular Stranger Things Interstellar 2014 and Arrival 2016 have clear though indirect roots in the iconic 1950s science fictions films Rocketship X M 1950 and The Day the Earth Stood Still 1951 and The Shape of Water 2017 openly recalls and reworks the major premises of The Creature From the Black Lagoon 1954 Essays also cover 1950 s sci fi influences on video game franchises like Fallout Bioshock and Wolfenstein

Extensions Sue Hosking,Dianne Schwerdt,1999 Extensions is a refreshing and stimulating collection of essays that illustrates the diversity of subject matter and the variety of critical approaches now used in English Studies Covering traditional and contemporary works this book encourages readers to rethink and rediscover aspects of familiar texts The X-files and Literature Sharon R. Yang,2007 The X Files and Literature Unweaving the Story Unraveling the Lie to find the Truth provides an innovative and valuable exploration of the groundbreaking television program Although much academic work has been devoted to the social psychological and spiritual significance of The X Files until this collection none has fully addressed the series TM rich adaptation of literature to interrogate our perception definition or recounting of the oetruth

This collection not only unveils new twists and insights into expected connections between The X Files and Gothic writers or with its modernist and post modernist slants on narrative plot and characterization The X Files and Literature also delves into some unexpected literary sources shaping the series such as the Arthurian quest Catholic and Biblical mythology folkloristics and James Fenimore Cooper and the oe vanishing American mythos This collection of essays covers both how The X Files works with literature TM s own constantly morphing definition and portrayal of truth through form and content as well as how the television program may or may not subvert our own contradictory expectations and distrust of literature TM s providing us with enlightenment As television becomes more and more literary with shows like Lost and Gilmore Girls sending us off to the bookstore and the library so we might read them more carefully a book like The X Files and Literature is welcome indeed Sharon R Yang TM s diverse collection on one of Nineties TM TV TM s richest texts finds the truth of the gothic and the Arthurian and the folkloric of the postmodern and the metafictional of Poe Pynchon Cooper Nabokov and Tennyson not just oeout there but in the perhaps too complicated narrative of the perpetually frustrated quests of Mulder and Scully Valuable in itself as an intellectual exercise its real worth may come when we put the book down and return smarter better readers to the primary text David Lavery Co Editor Deny All Knowledge Investigating The X Files Sharon Yang s X Files collection deals with an important subject addressed by thoughtful writers The idea that television can be seen as a branch of literature is certainly sustained by The X Files and the contributors to this volume succeed in making the case Brian Hauser on Fenimore Cooper Cary Jones on Mary Shelley Tamy Burnett on Poe Thomas Argiro on Pynchon Matthew VanWinkle on Tennyson these and more explore the connections with The X Files not only in terms of sources but also themes and techniques Both students of television and literature will want to own this book Rhonda V Wilcox Ph D Professor of English Gordon College Barnesville

Woman, Detective, Other Lisa Maria Dresner, 2002 **Television After TV** Lynn Spigel, Jan Olsson, 2004-11-30 A critical reassessment of television and television studies in the age of new media

Crime Time - Prime Time - Global Time Susanne Fendler, Ute Fendler, 2004 **The Spectator**, 2005 *Tabloid Culture* Kevin Glynn, 2000 An examination of the rise of tabloid television and the political cultural and technological changes that have enabled its success Quality Popular Television Mark Jancovich, James Lyons, 2003 Why are some contemporary television shows so compelling The Sopranos Buffy the Vampire Slayer Friends and ER are examples among many of a new era of the must see programme These shows and others like The X Files and Ally McBeal have a compulsiveness a depth of characterisation and back story that puts most of cinema to shame Quality Popular Television looks at this new category of cult television mostly US produced and the reasons for its emergence Looking at shows as diverse as Ally McBeal Martial Law Buffy Lois and Clark Star Trek The Next Generation and Ellen the book examines the particular qualities necessary for success and how they relate to issues such as the economics of network scheduling the growth of the internet and contemporary debates about television audiences This important new book provides an invaluable window on

transformations in contemporary television culture **Stars in Our Eyes** Angela Ndalians,Charlotte Henry,2002-03-30 The media star has become a powerful almost unparalleled cultural sign even as the star system has undergone radical transformation since the era of the Hollywood studio system Today s film industry continues to market and promote its products through actors in ways that seek to capture the often elusive quality that a star can embody Using contemporary stars such as Robert De Niro Keanu Reeves Arnold Schwarzenegger and Dennis Hopper this anthology of essays applies a variety of theoretical tools in its attempt to understand how we interpret stars and how we can begin to understand their cultural significance Likewise the study explores how the star system has become an increasingly complex phenomenon within society at large extending its impact beyond the cinema into music sports and fashion Many of the essays collected here consider this shift and examine how personae including the director Sam Peckinpah the royalty Princess Diana and even the digital star Lara Croft have captured the cultural imagination and have come to attain qualities as star like as those of the silver screen *Public Understanding of Science* ,1999

Millennialism from the Hebrew Bible to the Present Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium,2002 The concept of millennialism of a looming End of Days that will usher in salvation and a new world is prevalent in Jewish history and culture and also serves as a cornerstone for a number of Christian faiths Millennialism has also sprung up among certain disenfranchised marginalized or conquered peoples at different times and places throughout history From the coming of the Jewish Messiah to the 1890 Native American Ghost Dance to modern Cargo Cults of the Pacific Islands to recent prophecies concerning the dawn of the third millennium people have anticipated feared and built their lives around a transformation of their world marked by a significant calendar moment or momentous event The twelve contributors to this volume examine the concept of the End of Days in Judaic history and culture as well as other important manifestations in the past and present Topics include the dynamics and process of millennialism the role of children in millennial religions the enduring messianic significance of Jerusalem the influence of ancient Judaic millennialism on current sensibilities a comparison of the roots and meanings of Jewish Muslim and Christian calendars the roots of the Christian antichrist in Jewish traditions of evil differing rabbinical interpretations of the End of Days the impact of millennialism on the Franciscan mission to New Spain millennialism as a process of cultural mourning and rebirth the appropriation and reinterpretation of the Book of Revelation by new religious movements the significance and influence of apocalyptic movies and the emergence of millennialism in popular culture in such television shows as The X Files

The Story of Viewers For Quality Television Dorothy Collins Swanson,2000-10 Viewers for Quality Television VQT emerged from the successful grassroots campaign of founder Dorothy Swanson to save the series Cagney Lacey Eight months after the drama returned to the air with the help of the show s producer Barney Rosenzweig Swanson s group gained significant media attention and popular support In 1984 she founded VQT and galvanized over 1500 advocates for innovative and enriching television programming For the past 12 years VQT has been the recognized and credible forum for discerning

viewers Prior to the formation of this group there was no system in place where viewers could voice their opinions collectively to those responsible for the fate of programs The organization whose endorsements continue to be an important part of many programs bids for survival has succeeded in convincing network executives to reconsider shows such as Designing Women Homefront China Beach I ll Fly Away and most recently The Practice which were scheduled to be canceled Documenting the efforts of one grassroots organization that made a difference Swanson s story extends beyond the realm of television to demonstrate the rewards of making the voice of public opinion heard *Cue the Bunny on the Rainbow* Alan Rafkin,1998-11 In this autobiography Rafkin recounts his behind the scenes experiences working in more than eighty television series Some of the most beloved sitcoms of all timeThe Andy Griffith Show The Dick Van Dyke Show M A S H Murphy Brown and Coach adorn his directorial resume and illuminate his ability to change with the times and persevere in the young world of show business Rafkin recounts how his directing of temperamental actors as he confronted their frustrations and dodged their blows made life on the TV set a world unto itself Indeed having a good sense of humor helped him survive three divorces and as many open heart surgeries *TV Creators: Aaron Sorkin: lyricist. Roy Huggins: television maverick. Martha Williamson: visionary. Anthony Zuiker: master of forensics. Glenn Gordon Caron: intrepid explorer. Don Bellisario: leatherneck optimist.Paul Haggis: subversive scribe. Barbara Hall: author, author. Joss Whedon: feminist. Clifton Campbell: imagineer. John McNamara: "Fugitive" phile. Aaron Spelling: prime-time perennial. Afterword: terrorism and television drama* James L. Longworth,2000 **Frontiers** ,2005 A journal of women studies *Ink-stained Amazons and Cinematic Warriors* Jennifer K. Stuller,2010-02-02 Women have been led to believe that superheroes and heroism are not for them and that they are little more than love interests or sidekicks who stand by their supermen This is a false proposition argues Jennifer K Stuller as she uncovers the true history of how superwomen are represented in popular culture She reveals how from Wonder Woman to Buffy Summers Emma Peel to Sydney Brislow Charlie s Angels to The Powerpuff Girls the female hero in modern mythology has broken through the boys club barrier of tradition for shining if all too brief moments The book details the notable differences in how women and men are represented as heroic in modern myth Love and compassion spies and sexuality daddy s girls and the complicated roles of superwomen who are also mothers are all explored The spotlight is also turned onto men and women who have created modern myths with a strong female presence and Stuller concludes by speculating on the future of gender representation in superheroic myth A useful appendix offers resources for further information about feminist fangirl blogging activism and fiction and the book features a glossary of modern mythic women P 4 of cover
