Depression And How To Survive It:

How You Can Survive When They're Depressed Anne Sheffield, 1999-05-18 Each year more than 17 million Americans suffer from a depressive illness yet few suffer in solitude How You Can Survive When They're Depressed explores depression from the perspective of those who are closest to the sufferers of this prevalent disorder spouses parents children and lovers and gives the successful coping strategies of many people who live with a clinical depressive or manic depressive and often suffer in silence believing their own problems have no claim to attention Depression fallout is the emotional toll on the depressive's family and close friends who are unaware of their own stressful reactions and needs Sheffield outlines the five stages of depression fallout confusion self doubt demoralization anger and finally the desire to escape Many people will find relief in the knowledge that their self blame guilt sadness and resentment are a natural result of living with a depressed person Sheffield brings together many real life examples from the pioneering support group she attends at Beth Israel Medical Center of how people with depression fallout have learned to cope From setting boundaries to maintaining an outside social life she gives practical tactics for handling the challenges and emotional stresses on a day to day basis

Depression And How To Survive It Anthony Clare, Spike Milligan, 2008-09-04 Anyone worried about a depressed friend or relative should read this book DAILY TELEGRAPH _____ In 1982 leading psychiatrist and TV presenter Anthony Clare interviewed Spike Milligan for the radio series In The Psychiatrist's Chair He was so overwhelmed by Milligan's account of his forty years of depressive experiences that he knew he had found the right person to help him illuminate and explore the mysterious and sometimes terrifying condition that is clinical depression Depression and How to Survive It charts the development of world famous comedian Spike Milligan's clinical depression and the strategies he used in dealing with the often misunderstood disorder Drawing inspiration and advice from Spike's experience this unique book from one of Britain's most successful psychiatrists will take you to the depths of human unhappiness and show you the way towards leading a happy life *Grief You Can Survive It! Here's How!* Leslie Gorski, 2002-10 Grief You Can Survive It Here's How Do you wake up in the morning feeling that showering and dressing require more energy than you have Are you wondering what happened to your old self and when or if it might be returning Does life feel overwhelming and at times convince you that you're going crazy Is time passing and the horrible imprints that you've tried so hard not to recall still linger despite promises from others that time would heal your heart Are you keeping yourself busy doing anything so that thoughts about it won't fill you with anger or helplessness or Oh no not guilt Now for probably the first time in your life are efforts to find your way through this unfamiliar territory that is your grief leaving you more confused and lost than when you initially embarked on this journey Then this book is the rudder the guide that you have been searching for You can survive the terrible event that has stolen your life This book gives you the emotional map needed to steer you through and beyond the troubling uncharted territory that is your loss and grief *Adolescence: How to*
