Der Andere Prinz Eugen Vom Flaachtling Zum Multimillionaar

Judith Woodsworth, Jean Delisle

Der Andere Prinz Eugen Vom Flaechtling Zum Multimillionaar:

The Sultan's Renegades Tobias P. Graf, 2017 The figure of the renegade a European Christian or Jew who had converted to Islam and was now serving the Ottoman sultan is omnipresent in all genres produced by those early modern Christian Europeans who wrote about the Ottoman Empire As few contemporaries failed to remark converts were disproportionately represented among those who governed administered and fought for the sultan Unsurprisingly therefore renegades have attracted considerable attention from historians of Europe as well as students of European literature Until very recently however Ottomanists have been surprisingly silent on the presence of Christian European converts in the Ottoman military administrative elite The Sultan's Renegades inserts these foreign converts into the context of Ottoman elite life to reorient the discussion of these individuals away from the present focus on their exceptionality towards a qualified appreciation of their place in the Ottoman imperial enterprise and the Empire's relations with its neighbours in Christian Europe Drawing heavily on Central European sources this study highlights the deep political religious and cultural entanglements between the Ottoman Empire and Christian Europe beyond the Mediterranean Basin as the shared world par excellence The existence of such trans imperial subjects is not only symptomatic of the Empire's ability to attract and integrate people of a great diversity of backgrounds it also illustrates the extent to which the Ottomans participated in processes of religious polarization usually considered typical of Christian Europe in this period Nevertheless Christian Europeans remained ambivalent about those they dismissed as apostates and traitors frequently relying on them for support in the pursuit of familial and political interests *Der andere Prinz Eugen* Otto Stradal, 1982 Großer Herren Häuser Georg Hamann, 2017-09-25 Zu Gast bei Coburg Kinsky Batthy ny Co Klingende Namen wie diese trugen nicht nur einflussreiche Familien des Habsburgerreiches sondern auch deren Palais Georg Hamann namhafter Kenner des historischen Wien nimmt uns mit auf eine Reise quer durch die Jahrhunderte und erz hlt die spannenden mitunter auch tragischen Geschichten rund um diese gro en H user und ihre Bewohner ber ber hmt Feldherren und Ringstra enbarone konkurrierende Barockbaumeister politische Intrigen gesellschaftliche Skandale aristokratische Salons und vieles mehr Wie sch n wenn sich ein Autor auf die Spuren dieser altehrw rdigen Bauten begibt und ihre Erbauer und verschiedenen Besitzer quer durch die Jahrhunderte lebendig macht Was gibt es N herliegendes als der Magie dieser Bauten auf den Grund zu gehen Karl Hohenlohe Mit zahlreichen Abbildungen Les traducteurs dans l'histoire 3e édition Judith Woodsworth, Jean Delisle, 2014-11-05T00:00:00-05:00 Les traducteurs dans l'histoire a t accueilli d s sa premi re dition comme un ouvrage incontournable Cette nouvelle dition revue et enrichie comporte d importantes mises jour et des sections in dites Elle tient compte aussi des orientations de la recherche contemporaine et offre une interpr tation plus nuanc e de certains faits historiques La bibliographie renferme plus de cent nouveaux titres Cet ouvrage indispensable pour les tudients les chercheurs et les professionnels de la traduction int ressera tout autant les chercheurs d autres disciplines et le grand public

car l histoire de la traduction recoupe celle des cultures et des civilisations
