Der Weg Zum Popstar German

David Singer

Der Weg Zum Popstar German:

A Jewish Orchestra in Nazi Germany Lily E. Hirsch, 2010 Offers a clear introduction to a fascinating yet little known phenomenon in Nazi Germany whose very existence will be a surprise to the general public and to historians Easily blending general history with musicology the book provides provocative yet compelling analysis of complex issues Michael Meyer author of *The Politics of Music in the Third Reich* Hirsch poses complex questions about Jewish identity and Jewish music and she situates these against a political background vexed by the impossibility of truly viable responses to such questions Her thorough archival research is complemented by her extensive use of interviews which gives voice to those swept up in the Holocaust *A Jewish Orchestra in Nazi Germany* is a book filled with the stories of real lives a collective biography in modern music history that must no longer remain in silence Philip V Bohlman author of *Jewish Music and Modernity* An engaging and downright gripping history The project is original the research is outstanding and the presentation lucid Karen Painter author of *Symphonic Aspirations German Music and Politics 1900-1945* The Jewish Culture League was created in Berlin in June 1933 the only organization in Nazi Germany in which Jews were not only allowed but encouraged to participate in music both as performers and as audience members Lily E Hirsch's *A Jewish Orchestra in Nazi Germany* is the first book to seriously investigate and parse the complicated questions the existence of this unique organization raised such as why the Nazis would promote Jewish music when in the rest of Germany it was banned The government's insistence that the League perform only Jewish music also presented the organization's leaders and membership with perplexing conundrums what exactly is Jewish music Who qualifies as a Jewish composer And if it is true that the Nazis conceived of the League as a propaganda tool did Jewish participation in its activities amount to collaboration Lily E Hirsch is Assistant Professor of Music at Cleveland State University
