Maccabees, Zadokites, Christians and Qumran Eisenman, 2022-07-11 **The Orthodox Jewish Brit Chadasha** Dr. Phillip Goble, 1996 Since the Brit Chadasha in Yirmeyeh 31 31 34 was given to Orthodox Jews the passage is found in the Hebrew Bible is it not and since most Orthodox Jews are in New York City particularly Brooklyn it seems then it surely must also be appropriate to make available a translation of the Brit Chadasha from the best original manuscripts in language devoid of goyishe and non frum style The following is a passage from this new translation specifically from The Besuras haGeulah According to Mattityahu Matthew chp 28 19 20 and is illustrative of what we at AFII are doing and what we believe

Messianic Judaism, Its History, Theology, and Polity David A. Rausch, 1982 Seeking to explain the enigma of Messianic Judaism in North America this work deals with issues of persecution misrepresentation and defamation by both Jewish and Christian groups against Messianic Jews The text considers several aspects of Messianic Judaism including its attempt to explode the ancient walls erected by Jews and Christians toward one another its search for renewal of the Jewish roots of the body of Christ and its efforts to express biblical faith and Messianic living in a contemporary Jewish dress **The Acts of the Emissaries** Joel Liberman, 2014-05-29 First Century C E A D Messianic Jewish Believers in the Messiah Yeshua Jesus turned the world upside down This is so potently portrayed in author Luke s 18 374 words that the book has come to be known as The Acts of the Apostles Emissaries Luke was a physician a careful historian and showed a deep knowledge about Jewish laws and customs in the land of Israel and the Temple His recording of the Spirit filled birth and explosive growth of Messianic Judaism is divided in half chapters 1 12 focus on Kefa Peter in Jewish regions while chapters 13 28 concern themselves with Sha ul Paul in largely Gentile regions The known world of the First Century was not turned upside down because Yeshua followers all believed the same thing The inclusion of Gentiles in the plan of God and how both Jewish and Gentile Believers were to work out questions of their identity and relationship to one another in a pagan world with opposing claims from both Jewish and Roman leadership sparked much debate conflict and controversy about faith and practice Even amidst imprisonments rioting and personality conflicts Dr Luke details the influence of Ruach Hakodesh the Holy Spirit in all of this In short the faith of these early Yeshua followers was demonstrated daily in tangible practical ways They fed the hungry healed the sick clothed the naked invited strangers into their homes visited prisoners etc Truly when the world

around them looked closely at those who said they believed the claims to deity and of messiahship from an obscure Jewish teacher from a backwater of the empire their lives were different The declaration of their faith wasn't solely with words but with actions The Good News was something which could be seen felt and experienced and the world had never seen anything like it So radically different were those who followed this Yeshua this Messiah Christ that they were called the Christ like Ones or Christians In the First Century this word was understood in a biblical Jewish context Thus for a Jew or Gentile to be called a Christian was connecting oneself very specifically to an active Jewish faith which recognized Yeshua as the promised prophesied Messiah and Savior Redeemer for Israel and the nations Unfortunately by the Third Century the word Christian had completely lost its original Jewish understanding or context Even today the word Christian though an endearing title to many carries a hugely negative connotation for those of Hebrew descent and no longer effectively defines Jewish followers of Yeshua who much prefer to be regarded as Messianic Jews For over 40 years Believers of Jewish descent in the Messiah have been congregating in hundreds of communities worldwide in response to the call of Ruach Hakodesh believing it's time to set the record straight concerning the Jewish Messiah This book consists of a collection of my Shabbat Sabbath sermons based on the Book of Acts prepared and delivered to my faith community Tree of Life a Messianic Jewish congregation in San Diego California several years ago I do not consider this work by any means to be a complete exegetical commentary or a comprehensive academic analysis Instead this is a compilation of practical messages whose intended audience is Messianic Believers Jewish or otherwise and anyone curious about a Messianic Jewish perspective on Acts

Messianic Judaism Dan Cohn-Sherbok, 2000-01-01 Who are the Messianic Jews What do they believe and practice What is the Jewish community's reaction to the development of Messianic Judaism In this pioneering study Dan Cohn-Sherbok traces the development of the Messianic movement from ancient times to its transformation after World War II Focusing on the nature of the movement today the volume continues with a detailed examination of Messianic practices and the place of Messianic Judaism within the contemporary Jewish community
