Derek Jarman:

Derek Jarman's Visionary Arts Michael Charlesworth, 2024-05-16 Derek Jarman's place in the history of film is assured by virtue of his vibrant defiant films that experiment with the very process of film making and create new forms. His paintings, their excitements and their profundity are less well known. Michael Charlesworth sheds light on the varied ramifications of Jarman's artistic practice from his years at Prospect Cottage Dungeness and provides the first book length study of his interest in depth psychology. He draws on Jarman's paintings especially his landscapes from the 1960s and 70s, his multiple series such as *Black and Broken Glass*, *GBH*, *Queer* and *Evil Queen* and his last *Ecstatic Landscapes* 1991-3. He also showcases Jarman's excellence as a writer with respect to his memoir *Kicking the Pricks*. In a novel approach to Jarman's cinema, selecting films such as *Journey to Avebury* 1973, *Caravaggio* 1986, *The Garden* 1990 and *Blue* 1993, Charlesworth emphasizes themes and artistry rather than narrative. Exploring the ways in which Jungian and post Jungian psychology were absorbed into Jarman's varied works, *Derek Jarman's Visionary Arts* provides a fresh perspective on his painting, film and writing. It celebrates him as one of the major British artists of the late 20th century, engaging with current debates about queer sexualities, environmentalism and climate catastrophe. Derek Jarman Peter Fillingham, Keith Collins, Donald

Smith, CHelsea space (Gallery) Staff, 2014 **Derek Jarman** Tony Peake, 2000 Biography of the outrageous and controversial filmmaker, painter and gardener *Derek Jarman* Michael Charlesworth, 2011-11-15 Derek Jarman 1942-94 is known as one of Europe's greatest independent film makers; his films call into question and reconsider the nature of filmmaking itself. But as Michael Charlesworth shows in this new biography, Jarman was also a painter, writer, gardener, set designer and an influential campaigner for gay rights and other social causes. Charlesworth discusses the entire diverse range of Jarman's works in order to provide a thorough portrait from childhood to his untimely death. Charlesworth is the first scholar to properly integrate Jarman's paintings and writings with his films, demonstrating the strong connections between his varied areas of artistic practice. He also draws invaluable insights from Jarman's extraordinary series of journals that offer a look into the nature of the society in which he lived as well as his own creative process. And through the thoughts and memories of Jarman's friends, Charlesworth reveals how Jarman was an important voice on behalf of many one who espoused love and friendship while fearlessly campaigning for the virtues and the value of art in an often hostile and unappreciative political and social atmosphere. Fresh in its conclusions and engaging in style, *Derek Jarman* is an accessible and thought provoking analysis of Jarman's phenomenal creativity and a perfect complement to Jarman's works. **The**

Films of Derek Jarman William Pencak, 2002-11-05 Derek Jarman's films explore the possibilities and limitations of same sex love and self expression during various historical eras ranging from ancient Egypt to present times. His work covers a millennium of sexual repression and efforts to escape it. Jarman provides us with a cinematic history of people whose homoerotic passions had a major impact on western civilization in religion, art, politics, philosophy and war. This book provides

background information on each of Jarman's fifteen scripts and films. The chapters are program notes to his films from a historical perspective. An interpretation of Jarman's intentions gleaned from the director's writings and works about him is also provided. This work reveals Jarman's importance as a keen student of the limits of historical knowledge and delineates the role of history in inspiring change or preserving inertia in the present struggle against homophobia. *Derek Jarman*

,1970 **Derek Jarman** Rowland Wymer,2005 This book gives detailed and original critical readings of all eleven of Derek Jarman's feature length films arguing that he occupies a major and influential place in European and world cinema rather than merely being a cult figure. It places particular emphasis on the importance of Renaissance art and literature for Jarman and emphasizes his interest in Jungian psychology. Wymer shows how Jarman used his films to take his audience with him on an inner journey in search of the self while remaining fully aware of the dangers of such a journey. *Derek Jarman: Protest!* Seán Kissane,Karim Rehmani-White,2020-06 Derek Jarman was a very English rebel a maverick and radical artist whose unique and distinctive voice was honed protesting against the strictures of life in post war Britain. Jarman's public image is that of a filmmaker of genius whose work dwelling on themes of sexuality and violence became a byword for controversy. But the private man was the creator of his own garden paradise in an environment that many might think was more of a hell than a heaven in the flat bleak often desolate expanse of shingle that faces the nuclear power station in Dungeness Kent. Jarman a passionate gardener from childhood combined his painter's eye his horticultural expertise and his ecological convictions to produce a landscape which combined the flints shells and driftwood of Dungeness sculptures made from stones old tools and found objects the area's indigenous plants and shrubs and flowers introduced by Jarman himself. This book is Derek Jarman's own record of how this garden evolved from its earliest beginnings in 1986 to the last

year of his life More than 150 photographs taken since 1991 by his friend and photographer Howard Sooley capture the garden at all its different stages and at every season of the year Photographs from all angles reveal the garden s complex geometric plan its magical stone circles and its beautiful and bizarre sculptures We also catch glimpses of Jarman s life in Dungeness walking weeding watering or just enjoying life Derek Jarman s Garden is the last book Jarman wrote Like the garden itself it remains as a fitting memorial to a brilliant and greatly loved artist who against all odds made a breathtakingly beautiful garden in the most inhospitable of places It will appeal to all those who are themselves practicing gardeners as well as to the legions of admirers of an extraordinary man
